and all the memories (mostly bad),
And all the trying times we've had.

PS. I'd write more, but this bus isn't cooperating.

Cindi (or Cindy, whichever you prefer) I want to thank you very much for your classes we had together. THANK GOODNESS! Maybe 9th was not such a "disaster" with R.S.S. III, and maybe in study hall here and there. Oh course there is the occasional ride on Bus 2. Thank goodness I just ended it, & don't think I could have taken it, & don't think you would have either. Just be glad you weren't there. "VIVA DIORKA"

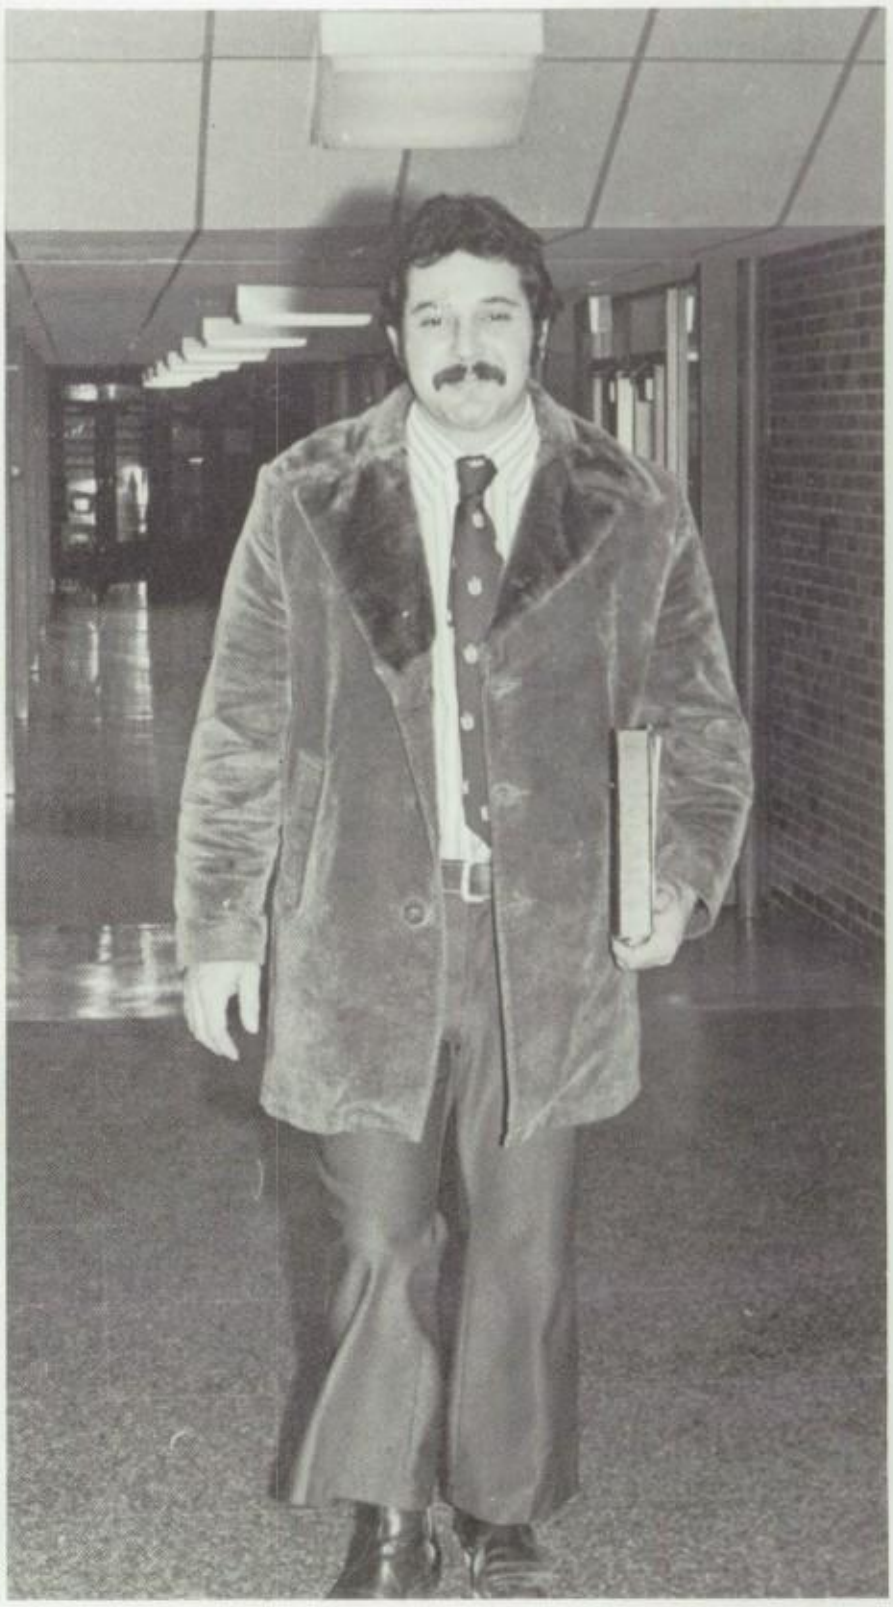
IN DEDICATION



It is difficult to express how much Miss Elizabeth Steele and Mr. John Whitelock have meant to the Class of 1975. These two special individuals have faithfully devoted many hours and great effort toward organizing class projects and activities since 1971.

"Stainless" and "Kong" are unique examples of active involvement. During the past four years it was not unusual to see Miss Steele in jeans painting posters or making tissue flowers, while Mr. Whitelock was wiring rainbows or pillars to floats. One or both sponsors attended every class activity from concerts to the Masquerade Ball. Illustrating their versatility, they always participated — Mr. Whitelock proving his prowess in donkey riding, and Miss Steele performing superbly in the Fashion Show.

Despite the good times, however, all has not been fun and games. Many times Mr. Whitelock and Miss Steele displayed their serious natures. They have always been concerned with the lack of student involvement, and they never ceased trying to generate interest and enthusiasm. We admire their perseverance. Besides coping with intra-class struggles, Mr. "W" and Miss "S" have withstood trials of their patience by outside organizations such as band and banquet managers. Surely they often felt like quitting, yet they never did. As always the crisis passed, and the dynamic duo was successful. Miss Steele did not die from an ulcer or from Mr. Whitelock!

It is impossible to convey our appreciation for their contributions of time from their private lives to make our four years in Great Valley interesting and fulfilling. No gift we can give is appropriate. We can only thank them for four years of fun and challenges. These memories will remain with us. Thank you Mr. Whitelock and Miss Steele. Thank you for everything!

THE YEAR

The Year of the Hare was full of political and economic surprises. Gasoline at 63¢ a gallon . . . Sugar at $3.00 for five pounds . . . The bugging of Democratic National Headquarters . . . The resignation of our president. These were just some of the events which occurred during 1974-75.

The effects of the energy crisis could be seen even in the student parking lot — parking spaces were no longer at a premium. Gasoline prices went up, speed limits went down, and we were all a little chilly at 68°. Everyone had his own idea as to whether our shortage was really on account of the Middle East crisis or whether it was merely a hoax on the part of the U.S. oil companies.

Inflation was apparent in our school when lunches went up to 55¢ and ice cream cost 15¢ a bar. Sugar became so valuable that a local radio station used it as prizes for its listeners. To help combat inflation, President Ford began the circulation of WIN buttons to spur Americans to "Whip Inflation Now."

Watergate was in the headlines much of the time, and everyone from the average citizen to the avid politician became concerned with this issue. Even students tried to decide for themselves who knew what and how much they knew. While Mr. Diorka's P.O.D. classes were busy reading *The White House Transcripts,* students debated both inside and outside the classroom about the guilt or innocence of the Watergate "Plumbers."

Perhaps the event with the greatest impact on the nation was the resignation of President Nixon. Mr. Nixon, who worked hard to win peace among war-torn countries, lost the presidency because of his involvement in the Watergate scandal. All in all, 1974-75 was certainly a year to be remembered!

Headlines tell the year's story.

Many students pumped their own gas to save money.

GIRLS' LEADERS

Girls' Leaders had many successful projects during 1974-75. We continued sponsoring an orphan in Korea, held the pumpkin carving contest at Halloween, and had a car wash and candy sale to earn money for the square dances we gave. We also held a kite flying contest and went in with Interact to sponsor a Road Rally.

Our service projects included caroling at Melmark and Rush hospital, acting as guides and usherettes during school functions, and decorating the school at Christmas. We also attempted to start a Big Brother — Big Sister project coordinated with Interact and N.H.S.

The officers would like to give special thanks to Mrs. Snyder, for without her time, energy, and effort, the club would not have been as successful as it was.

INTERACT

Decorating the school.

Interact's first major project of the year was the annual clothing drive, which once again proved to be successful. At Christmas time, members helped decorate the school and went caroling with Girls' Leaders. In place of a Mardi Gras this year, Interact and Girls' Leaders held a Road Rally. A lot of planning and hard work went into this but it was well worth it and everyone had a good time. The main spring activity was the Elementary School Track meet.

PEP CLUB

Our organization's purpose is to promote school spirit. Annual events sponsored by Pep Club are Spirit Week, Homecoming, Road Rallies, and Football Pep Rallies.

Posters were often hung to encourage attendance of Great Valley students to sports events while also helping to "psych" up the athletes.

Though we were a small group, through the cooperation of our sponsor, Mrs. Jan Uhler, we were able to have a successful year.

A.S.B.

The Associated Student Body took part in numerous activities this year. With the help of neighboring schools we raised $1,200 to assist building a school in Africa; some of our students visited neighboring schools under the newly established School Exchange Program; we provided more freedom for the Student Review Board to work with student problems; once again we held our annual Involvement Day including a selection of 87 different topics; and we also offered alternative educational experiences through the Elementary Teaching Program and Extended Experience Program.

The purpose of the National Honor Society is to honor those students who have displayed the qualities of Scholarship, Leadership, Character, and Service. Six percent of the junior class is inducted in May and a second induction is held in December of the following year for nine percent of the senior class.

This year, N.H.S. became more active in serving the school and community. Besides having a large tutoring service for other school members, N.H.S. participated in a school clean-up in April, a college and career night, and a Big Brother — Big Sister program. It is hoped that the purpose and services of N.H.S. will be furthered in future years.

I.F.C.

The purpose of the I.F.C. is to promote feelings of friendship, cordiality, and understanding between G.V. students and foreign exchange students.

This year G.V. welcomed two exchange students: Marie Noe, a native of Denmark who was here for the entire school year, and Mauro Medeiros of Brazil, who arrived in January and will return home this summer. This year's exchange student from G.V. was Sallie Rodgers, who spent a great year in Bolivia. We enjoyed hearing about the experiences of Karin Abrahamsen, who had gone to Sweden, and Ada Tallman, who had gone to Japan, during the 1973-74 school year.

The highlight of the year for the I.F.C. was the International Weekend held in April 24-27. During these four days, exchange students staying in neighboring areas came to G.V. and stayed in the homes of club members. Numerous activities were planned for I.F.C. members and exchange students. Through this enlightening experience, club members learned that people are the same no matter what language they speak or where they come from.

1974-75 was a great year for the G.V.I.F.C.!! We enjoyed a very active participation, a substantial treasury, and most of all had lots of fun! Our club had various sales in order to raise money; hoagie, bake, homemade crafts, and poinsettia sales. Our sponsor was Mrs. June Bigler.

THE SURVEYOR

This year the Surveyor started out with a new sponsor, Mr. Czech, and a small, dedicated staff. It only took two months to get out the first issue! Mr. Czech and the staff experimented with the format, featuring a special section each issue. We made mistakes, created controversies, and still had a lot to learn at the end of the year. The Surveyor gives special thanks to Mr. Czech and to about fifteen people who worked very hard all year. One hint to all future Surveyor staff — craziness lies between the deadline and the sale of the Surveyor.

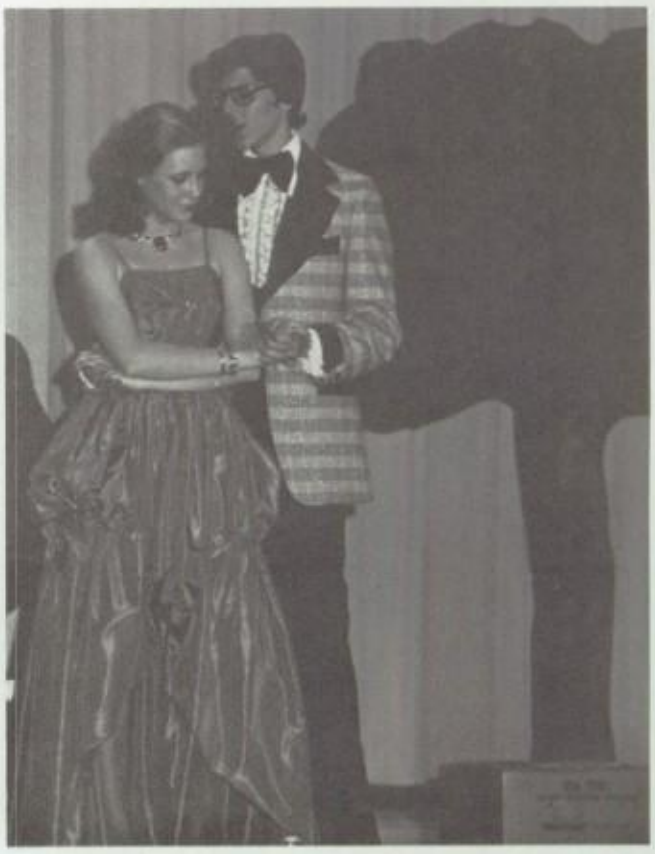
Burke (Asst. Editor)

At the start of the year, few, if any of the staff, knew what went into the making of a yearbook. Croppers, picas, D.P.S.'s, and bleed pictures were all new words to us. Soon, however, the terminology was mastered and the battle between the cropper and the editor began. The threat of a deadline always loomed in front of us, urging everyone to work all the harder. All in all, it proved to be a very worthwhile experience with the *1975 Musket* as the reward. We sincerely hope the student body will enjoy the book. The staff would like to thank Mrs. Johnson for being sponsor of the yearbook. She heard many problems, helped us find solutions, and stuck with us to the end.

BELLS ARE RINGING

"No-o-o more Rice Krispies!"



"How awful . . . dandruff!"

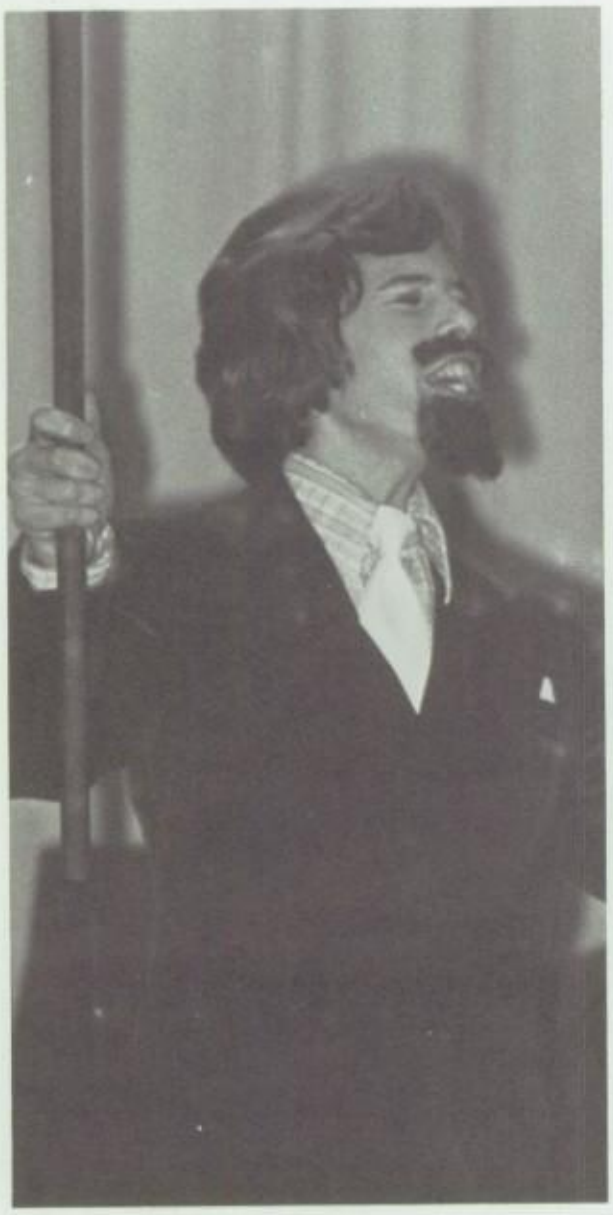
"She's got legs."

"Get your finger out of my eye."

Mary Jo dreams of Salzburg.

"Hi, Mom! Remember me?"

Broadway magic sparkled in Malvern during Great Valley's first musical production, *Bells Are Ringing*. Over a hundred students sang, danced, acted, played in the orchestra, and worked behind the scenes to make the show an exciting success. Caryl Cossa and Chevy Anz shared the starring role and Mike Dell played the romantic lead. The show was directed by Nancy Miller assisted by student director Julie Turpin, choral director Richard Sutcliffe, musical director Folkert Kadyk, choreographer Deborah Adams and producer Robert Sprague. Profits from the show were used to establish the Alger Whitcraft Scholarship Fund.



"It's a simple little system."

"Just a minute, I think I've got it."

DRAMA GUILD

The first pageant Drama Guild presented this year was "The Night the Chimes Rang" for the A.S.B. Christmas dinner. Karen Droms narrated the story of how the little beggar boy's penny and complete devotion caused the chimes to ring after they had remained silent for so many years.

Although *Bells Are Ringing* was a school-sponsored production, many members of Drama Guild worked behind the scenes and on stage to make the show a success.

In the spring the group presented a children's mini-musical "The Velveteen Rabbit" for the primary classes of the Great Valley School District as part of their Cultural Supplement Program. Mark Abrams starred as the velveteen rabbit and Mike Dell, Mike Gardner, Bob Colmery, Mary Jo Ashenfelter and Patti Nields played supporting roles.

LABYRINTH

This year's *Labyrinth* staff upheld the tradition of traveling to see the original Gutenberg press. There they placed a flower on the master's grave. As usual, once a week they clustered into their charmed circle pouring over treasured manuscripts. The club also performed a community service this year by recycling old poetry.

YOGA

This year a group of interested students participated in an after school yoga session. Every Thursday during the winter sports season they got together to learn to control their bodies as well as their minds. Yoga is an inexpensive way to relax and learn what your body can do; all you need is an empty room and some peace and quiet.

The Photo Club this year had the largest membership in its history at Great Valley. Although the club contained a large rowdy element, it was kept under tight control by Doc Watson and, of course, by the holding power of the D.D.D. (Demented Darkroom Discotheque). Even the great Disappearing Paper Caper was solved, naming everyone but Fedor's rats as culprits. Seriously, though, with the slapstick humor of Chris Davis, the sheer photographic genius of Eric Droms, and the able dictatorship of Howard Hughes, the Club should rise to greatness (snicker) in '75-'76. Good Luck.

Gottcha!

GVOTA greets us each day with "Good morning."

Great Valley on the Air has been broadcasting weekly over WCOJ for eight and a half years. Members write original radio scripts. They give the news, report on interviews, and conduct panel discussions in addition to deejay performance on the air. The club is responsible for Morning Announcements. Seniors have successfully participated in the *KYW Newstudies Series* in the Arts of Broadcasting for a number of years. GVOTA members have continued their communications studies in college programs leading to a career in broadcasting.

ICE HOCKEY

The Ice Hockey Team completed its second season in the Inter-Scholastic Hockey League with a record of 6-9-4. The team was placed in the toughest division facing fine established teams such as Radnor, West Chester, and Connestoga and was just barely edged out of the playoffs. Being rattled by injuries and suspensions the entire season and playing under-manned through most of the games, the team finished as one of the best new teams in the league. As in the other years the team was given absolutely no financial help, and the practices were also hard to acquire due to lack of funds. The girls' booster club brought about many interested fans, and helped with our publicity.

F.B.L.A. is a service club that operates at regional, state, and national levels. Each of the girls in the club this year "adopted" a grandfather at the Pocopson Home and wrote to him.

At the regional meeting held at Connestoga, all the girls competed in different business courses. Denise Iseminger placed 2nd in Typing I and Valerie Reitman placed 2nd in Bookeeping I.

Nine girls from the F.B.L.A. attended the state convention at Host Farms Hotel in Lancaster and Valerie Reitman competed in Bookkeeping I at state level.

MIDDLE STATES EVALUATION

This year Great Valley underwent a state evaluation of the school. This evaluation served a two-fold purpose. One was to receive accreditation by the Middle States Association. The other was for G.V. to take a close look at its people, programs, and facilities, and to update them to better serve the wants, needs, and interests of its students.

The full results of the evaluation team won't be known until later this summer, but in general the evaluators indicated that Great Valley was working to provide a good educational atmosphere for its students.

Shortly afterward equipment came in and membership picked up. The club expects a good turnout next year with possible scrimmage/practices with the local college teams.

Our volunteers take out their agressions by smashing bottles and aluminum cans and collecting newspapers. The club seeks to further the interest of their members through films, guest speakers from the area, and field trips. The contributions of the club include the donation of a phase unit for a microscope to the science department of Great Valley.

INTERPERSONAL AWARENESS

"We're falling all over each other to get into I.P.A."

The Interpersonal Awareness group is comprised of many students who meet voluntarily each week. After beginning with about thirty students in the spring of 1974, the membership grew to fifty people in 1975 who met twice a week. Our goal in I.P.A. is to get to know ourselves, our friends, and our place in the world a little better. We think and talk a lot about life, values, and goals — and in doing so we enjoy a continued opportunity for personal growth.

The Concert Choir is a choral group of approximately 80 voices all under the able direction of Mr. Richard Sutcliffe. All members passed auditions in the early spring. The choir performed at various community centers including the Grange, the Malvern Borough Hall, and St. John's Presbyterian Church, as well as in student assemblies scheduled during the school day. The school itself hosted the choir three times for evening concerts, once in the winter and twice in the spring. Thanks to the members and Mr. Sutcliffe, the choir has its most successful season in several years.

G.V. defense on the move.

Hockey '74, another winning season for Miss Costanza and her girls. Although the girls finished third in the Ches-Mont league with a record of 6-2-2, this was not an indication of their potential as a team.

1974 was a season in which all the teams in the league were greatly improved. Each game provided strong competition and exemplified hockey at its finest. The outcome of the season was a toss up until the very end. Every team played to win and to unseat "The Great Valley Girls" from their long held throne of hockey championships. The best of luck to Hockey '75 in bringing the Hockey crown back to G.V. where it belongs.

Members of the G.V. Cross Country team were the unsung heroes of Autumn 1974. Their sport is grueling: demanding running practices over ten miles daily in all kinds of weather. It requires a great deal of self-discipline, yet this year the effort was well worth it.

This year the Cross Country team earned the best record ever in the history of G.V., with 11 wins and 2 losses. Under the able coaching of Mike Diorka and Captain Don Dolinger, the team placed third in the Ches-Mont league.

Junior Scott McCorry and sophomore Mark Roth were Valley's top runners this year. Roth holds the course and school record of 15:34 on G.V.'s tough three mile course.

Seniors Don Dolinger and Glenn Koons won't return next year, but four juniors and nine sophomores will be back to lead the Patriots.

The 1974 varsity Soccer Team, under the supervision of Coach Dick Delaney, enjoyed one of the most successful seasons in G.V. history. The Patriots posted a first place finish in the Northern Division of the Southern Chester County League, and finished second in the entire league.

Halfbacks D. Palmer, T. Mansmann and J. Grimm all turned in outstanding offensive and defensive games helping to acheive the excellent overall record of 16 wins and 4 losses. Leading the standout defense were fullbacks E. Shuman, A. Madarasz, T. Fosnocht, and J. Phillips, while J. Duffy had an amazing season in the goal.

At the conclusion of the season the team received league honors as Hasslequist, Schwartz, Palmer, Madarasz, and Shuman were voted to first team SCCL, and Roberson, Duffy, and Crowell made second team SCCL. The Patriots moved on to play in district playoffs winning the opener, 1-0, before finally bowing out in a tough game against Abington. Congratulations to E. Shuman for making 1st team All-District!

1974 proved to be an exciting season and a great finale for Coach Delaney in his last year at G.V. We are proud of his accomplishments, and owe many thanks to him and the 1974 squad for placing Great Valley's name on the map of soccer powers in the Philadelphia area.

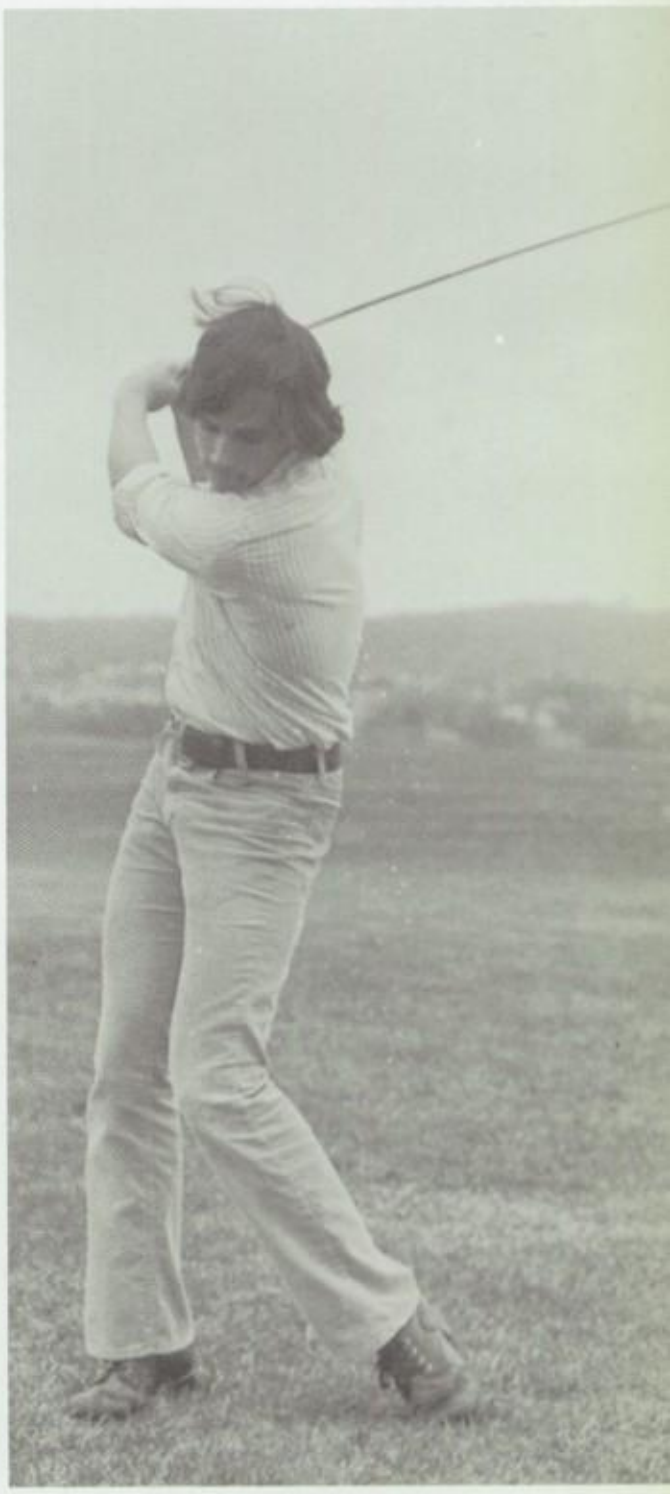
1974 proved to be a disappointing season for Coach Agostini and the G.V. Golf Team. Their overall record in the Chesmont League was 2 wins and 8 losses. However, their season ended on a happy note as the last two matches were G.V. victories. Don Brown and Mike Dell were the only seniors, so next year's squad should be experienced and a tough contender for the league title.

"Now I wonder where that one went."

"Rats, I missed again."



"Hey, Kevin, where's the ball?"

FOOTBALL *Ches-Mont Co-Champions*

Mel Cook charges through the Coatesville line.

It was a great year for Great Valley football.

After winning their first six league games, including a 20-0 pounding of Coatesville, the situation looked good for a Patriot championship. Unfortunately the going got rough, and Valley lost two games, placing them ½ a game behind top ranked Pottsgrove. On Thanksgiving Day, Great Valley's stadium was packed with fans who came to see the Patriots make a last shot at the Ches-Mont title. It was G.V.'s last chance, and every man on the team worked as hard as he could creating the most exciting football game imaginable. Amid the tears and cheering, Valley beat Phoenixville, 14-13. The Patriots became the first Ches-Mont Co-Champs at G.V.

At the close of the season many G.V. players received honors. Tri-Captains Mel Cook, Dom Bryan, and Bill Vail were elected to the All-Chesmont Team, while juniors Dave Schwartz and Bob Kempter also made All-Chesmont. Running back Mel Cook was also named to the All-State second team: Congratulations all!!!

Next year will be a rebuilding year as many senior team members are graduating, but hopes remain bright for the future because

The 1975 Girls' Basketball team ended their season with a record of 10 wins and 0 losses, bringing home another Ches-Mont championship. These girls were truly champions as they went undefeated throughout the season, which is the first time any girls' or boys' basketball team has accomplished this.

Led by tri-captains K. Wright, L. Shook, and C. Grady, the G. V. girls went on to District play-offs after winning the league. Here they lost a tough game to Plymouth Whitemarsh, 33 to 30.

This year G.V. girls won their share of honors. Junior Kathy Jones, high scorer for Great Valley, made 1st team center All-Area. Karen Wright made 2nd team forward, and Colleen Grady made 3rd team forward. Guard Lynn Brewer received an honorable mention.

Although many seniors will be graduating this year, the underclassmen gave strong performances and will return next year to retain their crown of Ches-Mont champions!

This year G.V.'s gymnastic team had the best record in the school's history, taking second place in the Lower Bucks County League with a record of ten wins and four losses. The gymnastics squad was composed of only four seniors, so much of the responsibility rested with underclassmen.

Jim Boehmlerr, Buddy Karkoska, and Steve Crowell were the three men sent to the District Qualifying meet. Karkoska and Crowell went on to Districts where Crowell took a third on the still rings. Steve continued in state competition, and placed fourth on the still rings, which is the highest achievement of any Great Valley gymnast. Jim Carpenter, the G.V. All-Around had a fine season and would have been a contender in the championship meets, but suffered a leg injury three fourths of the way through the season. To all, Congratulations and Good Luck!

BOYS' BASKETBALL

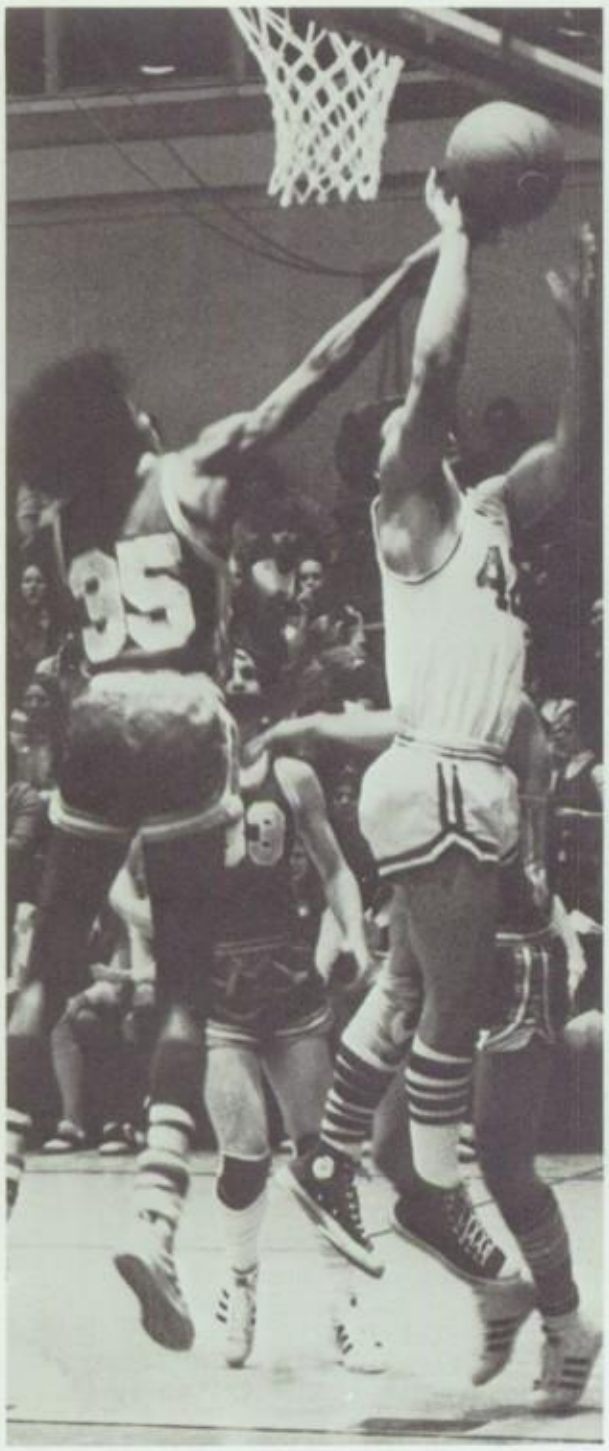
"Leap Jim leap, Get up off your feet."



Mighty Dom breaks through the defense.

Time out for the old soft shoe.

"Everybody was Kung Fu fighting!"

Charlie blocks the shot.

TOP ROW: Gil Mowery, Charlie Bromley, Dave Hampton, Mark Shrader, Coach Delaney. *KNEELING:* Steve Critchlow, Jim Russell, Dom Bryan, Mel Cook, Eric Shrader, Chuck Jordan.

1974-75 was a disappointing season for the Valley court men as they did not secure a winning record with ten wins and twelve losses. This year ws a rebuilding year, and the squad showed a great deal of improvement since the start of the season.

Although this was not a year for team glory, some individuals were honored. Senior guard, Eric Shrader made first team All-Ches-Mont and second team all area. He also was the first person to score 1000 points in G.V. basketball history. Sophomore, Mark Shrader made honorable mention for all area.

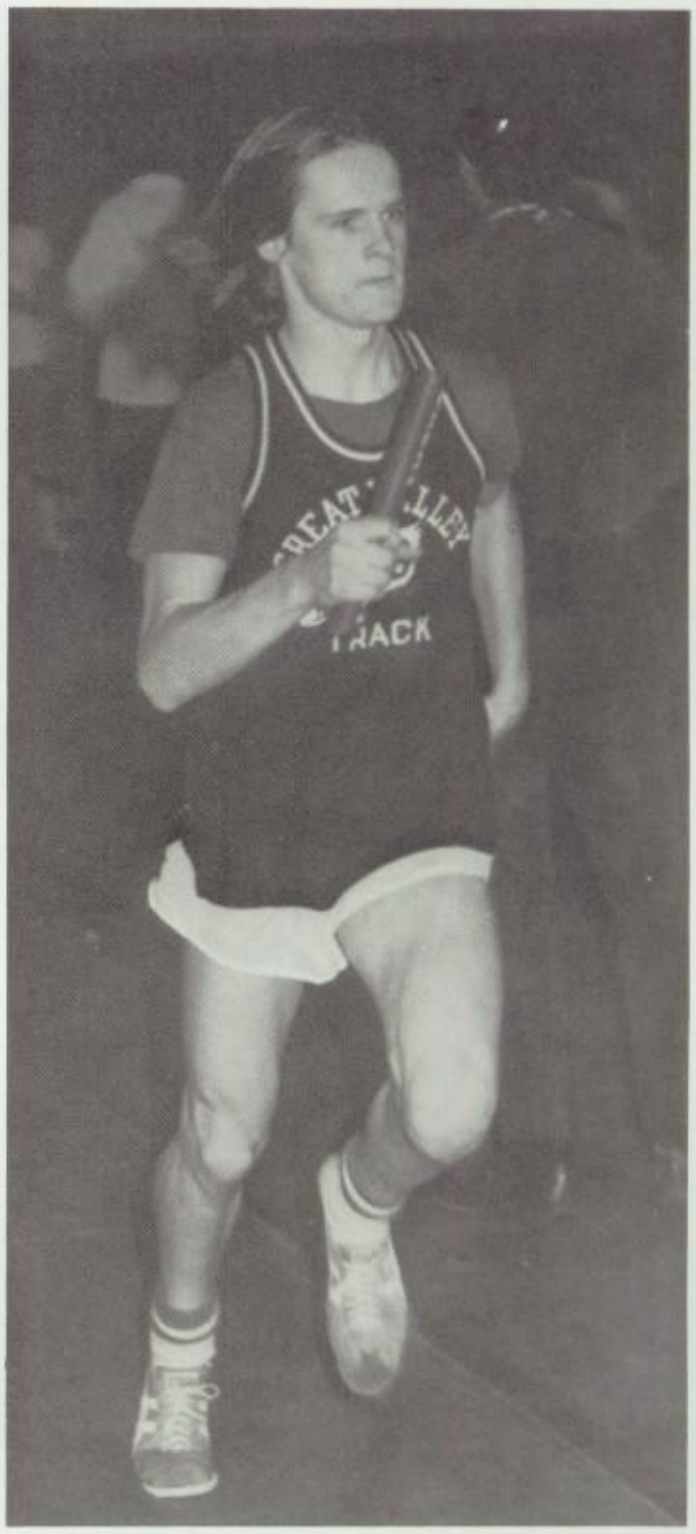
Next year will be a rough year for Great Valley as seniors S. Critchlow, J. Russell, D. Bryan, M. Cook, E. Shrader, and C. Jordan will graduate. It was also the last season for Coach Dick Delaney who has done a great deal for Great Valley basketball he has built up the program and made G.V. a contender in the Ches-Mont league.

WINTER TRACK

And he who is first shall be last?????

Hey men, what's the joke?

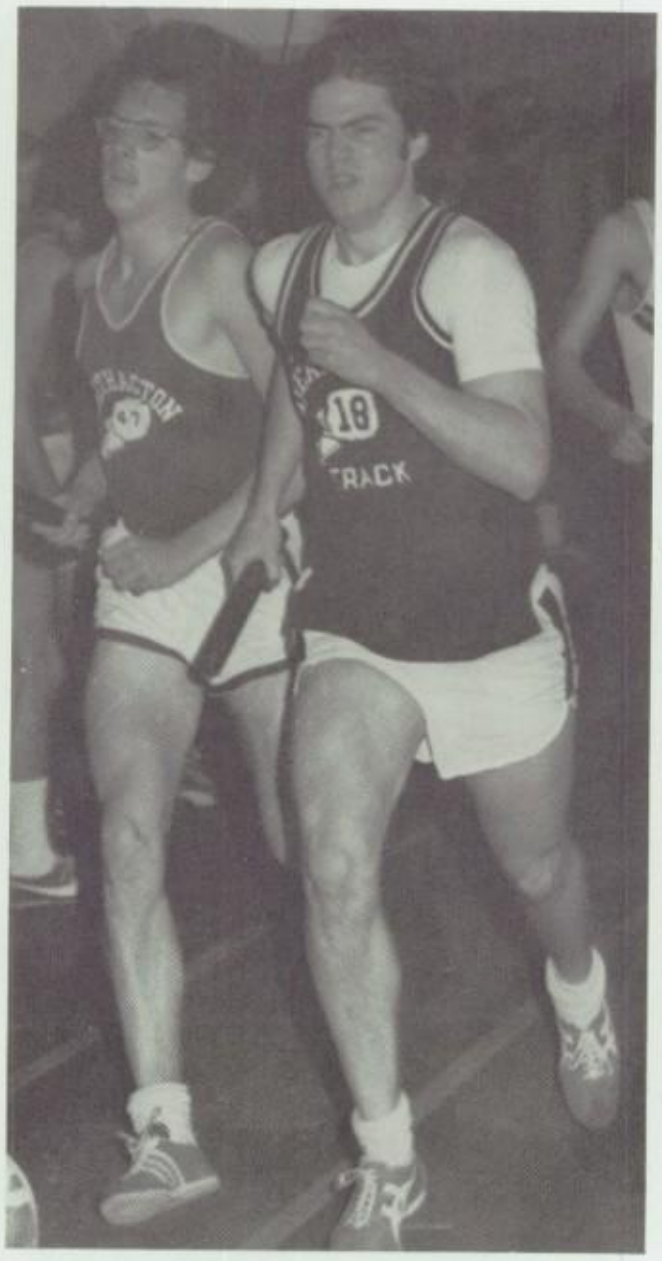
"Well take it, you fool!"



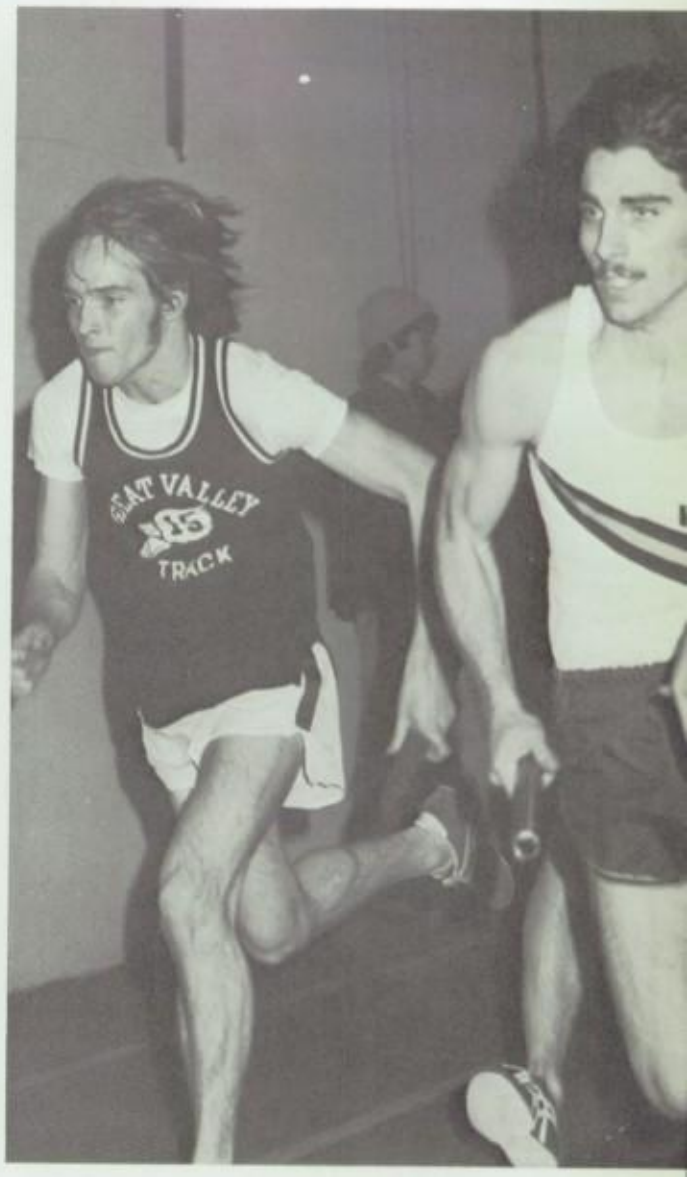
You can do it, you can do it, you can.

And pushing hard on the inside . . .

McCorry in the form of a champion.



Comisky: "If you trip me . . . !"



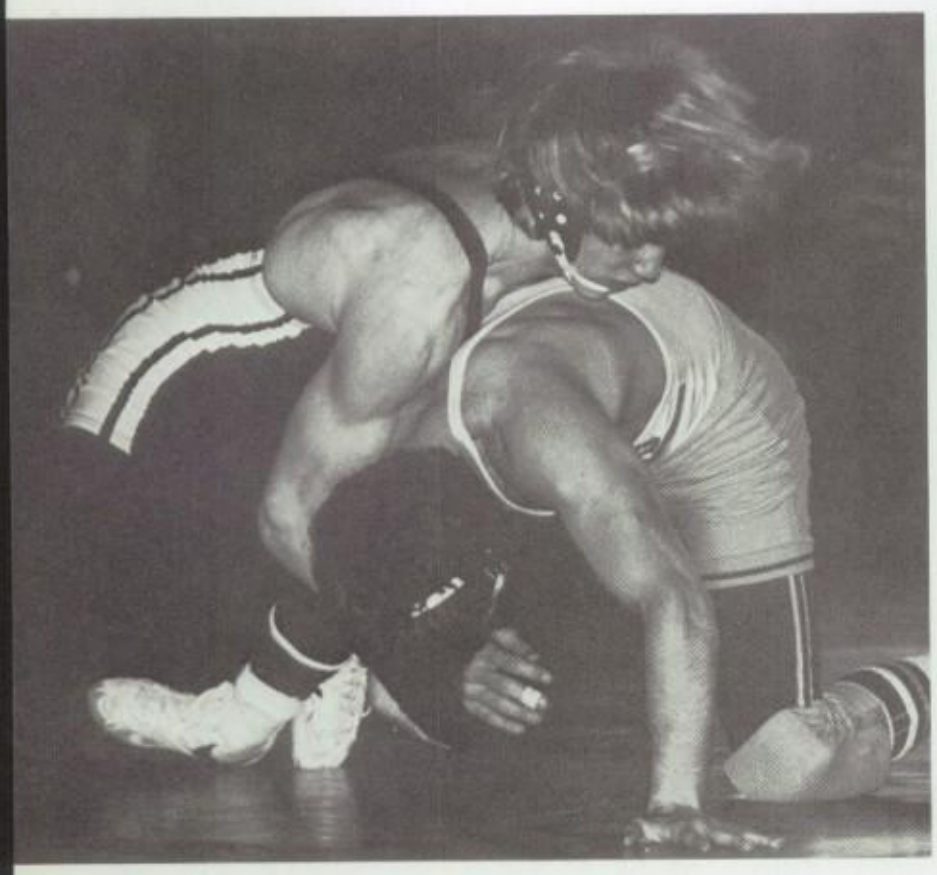
Desire and Determination.

TOP L. TO R. TO BOTTOM: R. Mohler, M. Roth, B. Kucharik, Coach Diorka, C. Mannix, S. McCorry, D. Dolinger, J. Cominsky, J. Dewey, K. Kapner, R. Dolinger, B. Vorhees, M. Barber, D. Oberkircher, Bovell, T. McCorry, S. Phillips, D. DePaul, S. Perkins, M. Clark, T. Bailey, M. Potter, D. Oberkircher, D. Skane, S. Hill, J. Haines, S. Frezza, A. McCarney, K. Roth.

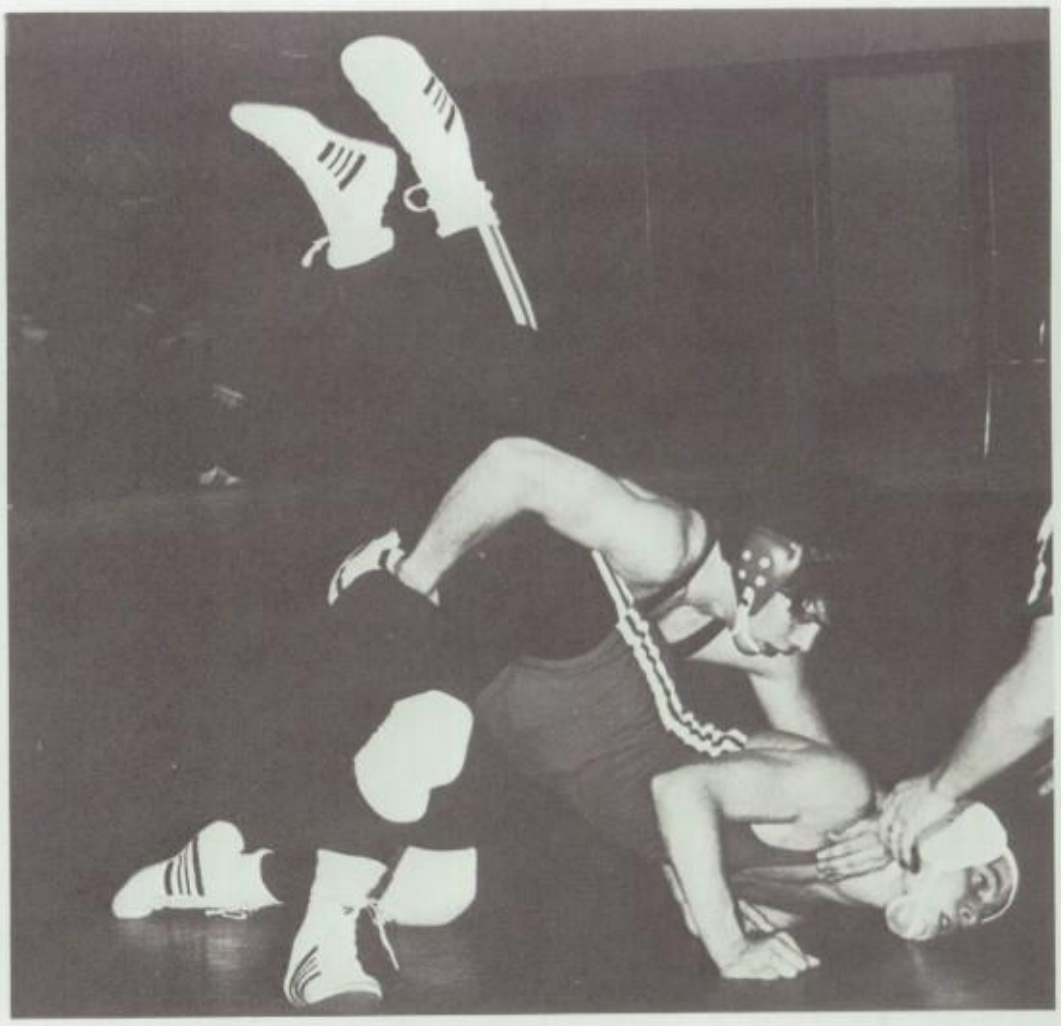
In the past, little has been said about Winter Track. But this year, under the outstanding direction of Coach Diorka, the team had their best season ever. They won fifty-nine medals and ten plaques, and people are talking!

This year two new school records were made in the distance medley and the mile relay. S. McCorrey, M. Potter, R. Muhler, and J. Comiskey ran the distance medley with an outstanding time of 10:49.8 and are the fourth fastest team in the Philadelphia area. The mile relay of D. Oberkircher, D. Skane, M. Potter, and J. Haines is the second fastest team in the Philadelphia area with an amazing time of 3:27.9. This team competed against twenty-four of the best teams from Maine to Florida in the Eastern States Track Meet and placed fourth, setting a new school record. There were also outstanding performances from the two mile relay team and the four-lap relay team. As the team's pole vaulter, John Grime had a satisfying season. The outstanding freshman team member was Doug Oberkircher who won a varsity letter. Although valuable seniors Dave Oberkircher, John Haines, and Don Dolinger will graduate, the Patriots have a strong underclassmen group returning. Good luck!

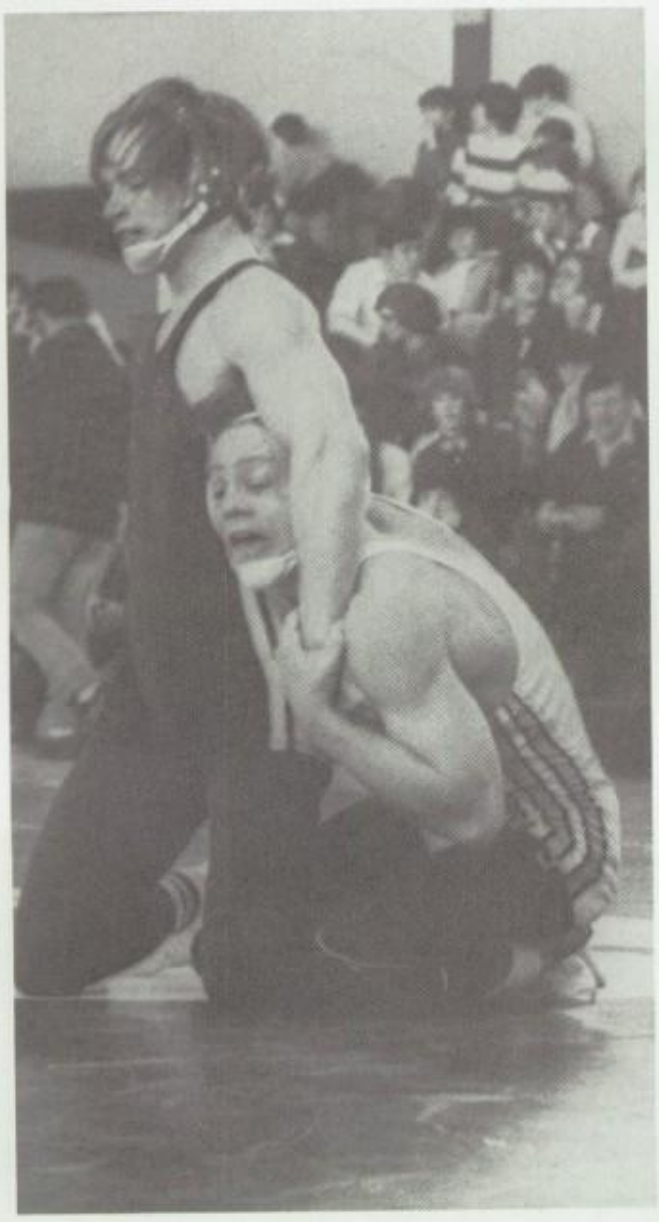
WRESTLING



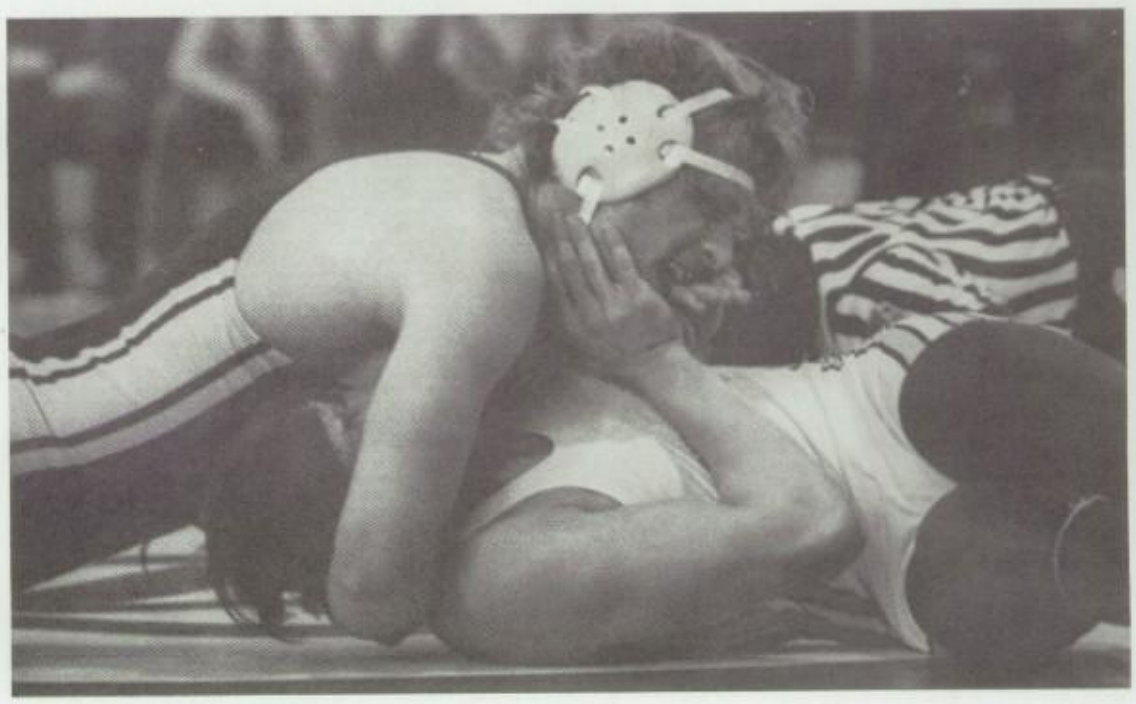
The muscles of a champion!



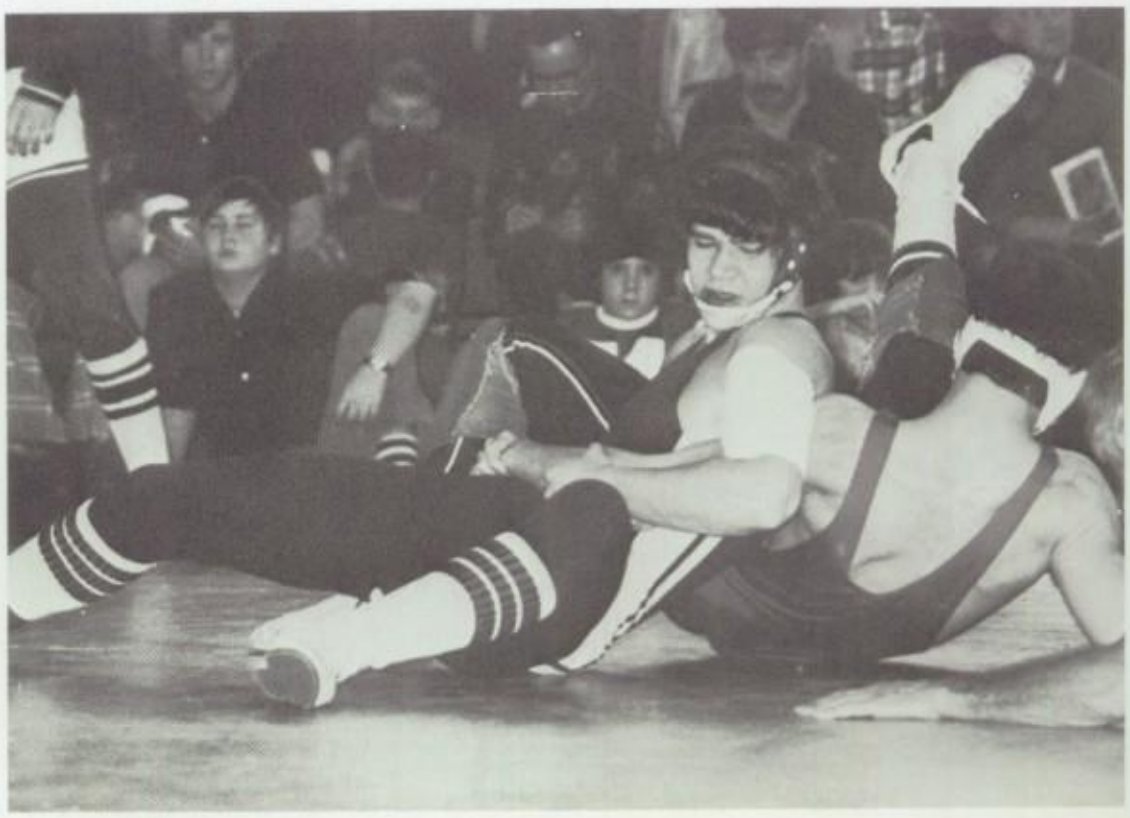
"Please, have mercy, Duff!"



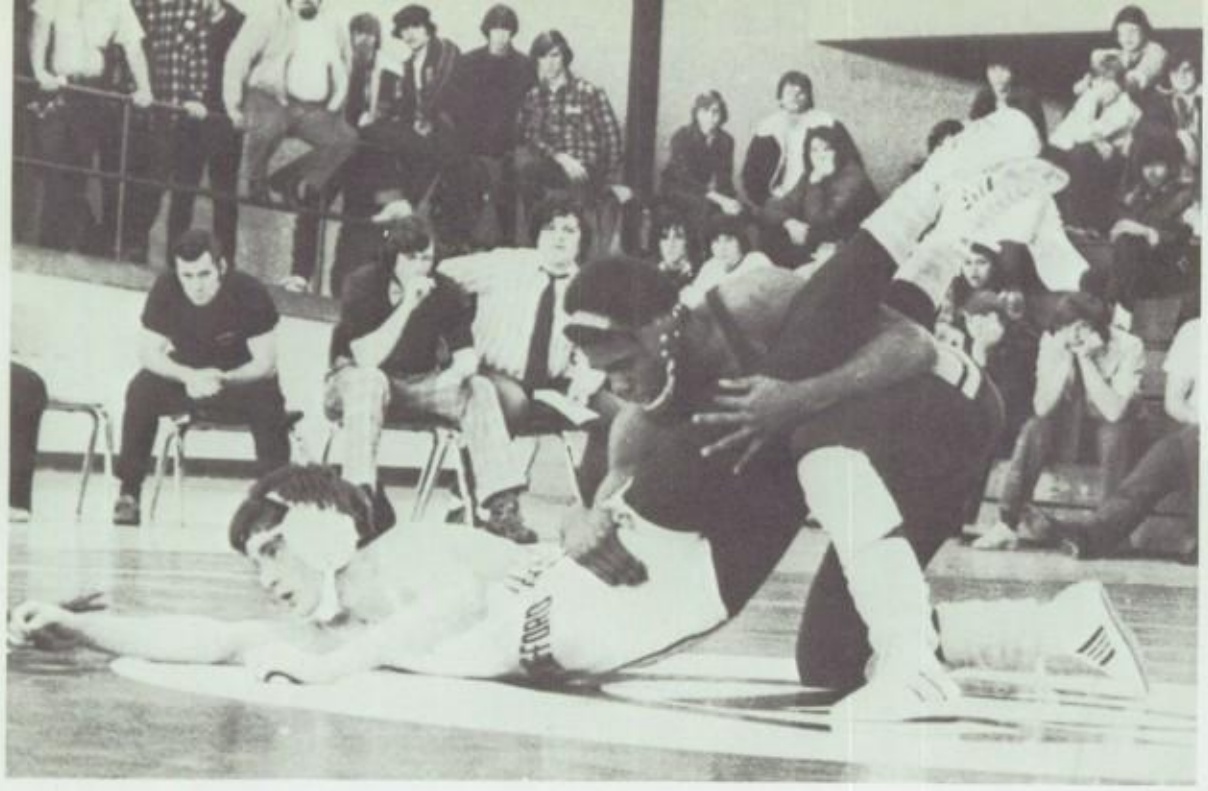
"I wanna hold your hand."



That's it, Conrad, bite him!

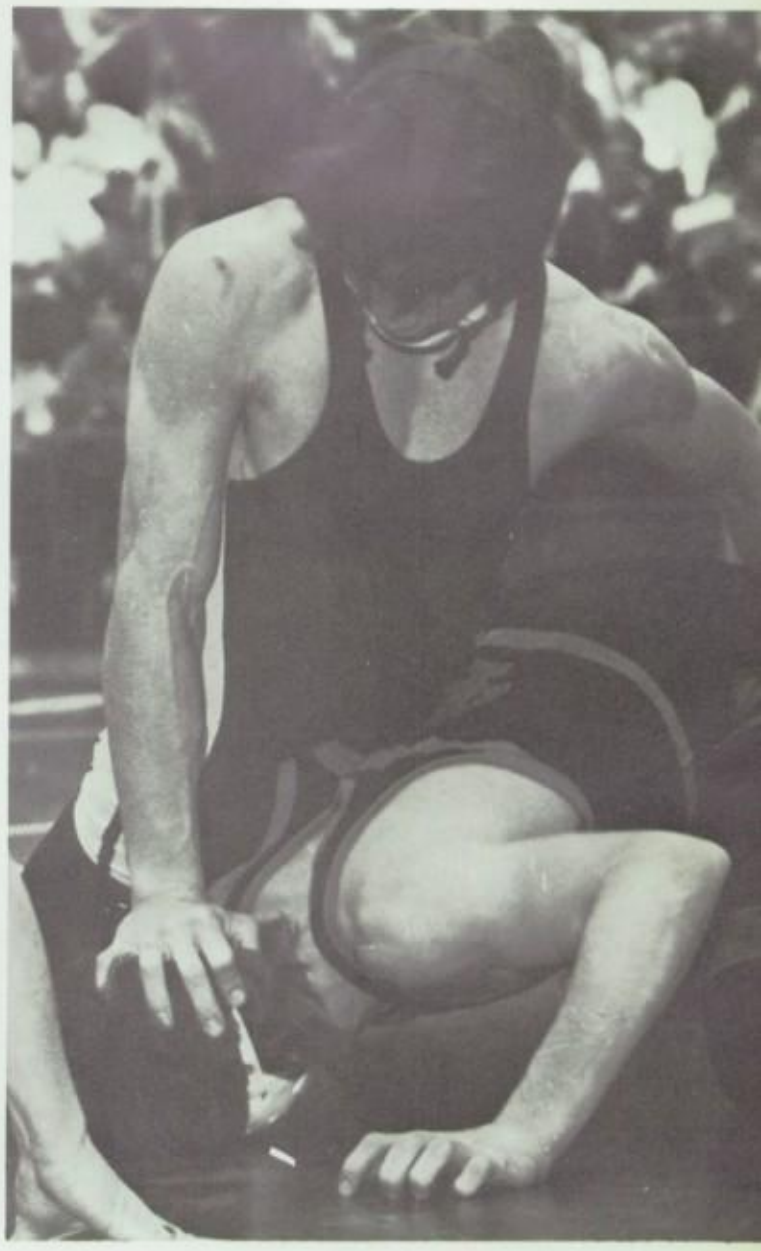


"If I could just get his arm here, and then . . . "



Hey, Greg, don't break him in half!

Arne working hard for the pin.



"I give up, Keith!"

Ches-Mont Co-Champions

This year for the first time ever, the Great Valley matmen were Co-Ches-mont Champions with O. J. Roberts. Great Valley had an amazing record of 11 wins and 1 loss. G. V. was also the sectional champion in our area.

STANDING L. TO R: Coach Nooland, T. Mansmann, G. Watkins, C. Somers, R. Garrison, B. Cauler. *KNEELING L. TO R:* K. Liskey, A. Hasslequist, J. Taylor, K. Wetzel, E. Dimpter. *SITTING L. TO R:* I. Mansmann, N. Liberato, S. Vandenhengle, D. Carothers.

Tri-Captains A. Hasselquist, K. Wetzel, and G. Watkins all had successful seasons. Arne placed 2nd in Sectionals, 1st in Districts, 2nd in Regionals, and 3rd in States. He was the first wrestler to ever travel to the state meet from G. V. He also made 1st team All-Area. Keith was 1st in Sectionals and Districts, placing 4th in Regionals. He too made 1st team All-Area. Greg placed 2nd in Sectionals and 3rd in Districts. He made 2nd team All-Area.

Other seniors earning area honors were T. Mansmann, D. Curothers, and C. Somers. Tate placed 3rd in Sectionals and Districts, and made 1st team All-Area. Duff and Conrad made All-Area honorable mention.

Underclassmen N. Liberato, I. Mansmann, and K. Liskey also received honors. Nick placed 3rd in Sectionals as did Ian who also made All-Area honorable mention. Ken placed 1st in Sectionals, and made 2nd team All-Area.

SPRING

. . . AND THEY'RE STILL CHEERING

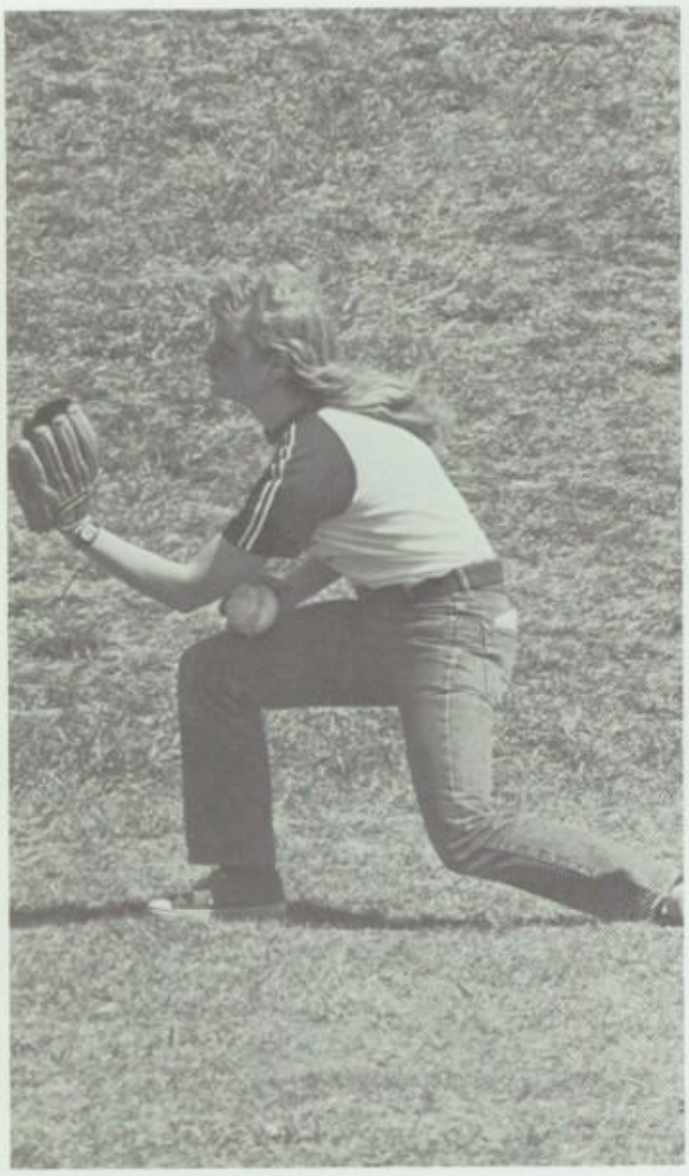
"Have you got the spirit?"

Now Janet, don't get *too* excited.

"Didn't you know we're gymnasts?"

In all kinds of weather . . .

SOFTBALL



Hey Mary, *you've* got the ball!

Kim guards the outfield.

Maggie sprints for base.

The softball team coached by Miss Sally Dietz had a winning record of 7-3 during their first season as a Varsity sport. The team's success was due to the excellent pitching of Dindy Pfeiffer, good batting by Sharon O'Brian, Debbie Duklewski, Gwen McKean, and Cheryl Ramsay, and also the fine defensive and offensive playing by the other team members.

STANDING L. TO. R.: Mary Dunham, Gwen McKean, Maggie McCarthy, Sandy Lane, Miss Dietz.
SITTING L. TO R.: Cherl Ramsay, Cindy Lawrence, Kim Gilpin, Joanne Whitely, Sharon O'Brien.
KNEELING L. TO R.: Debbie Duklewski, "Baby Stoltz," Durinda Pfeiffer.

BASEBALL

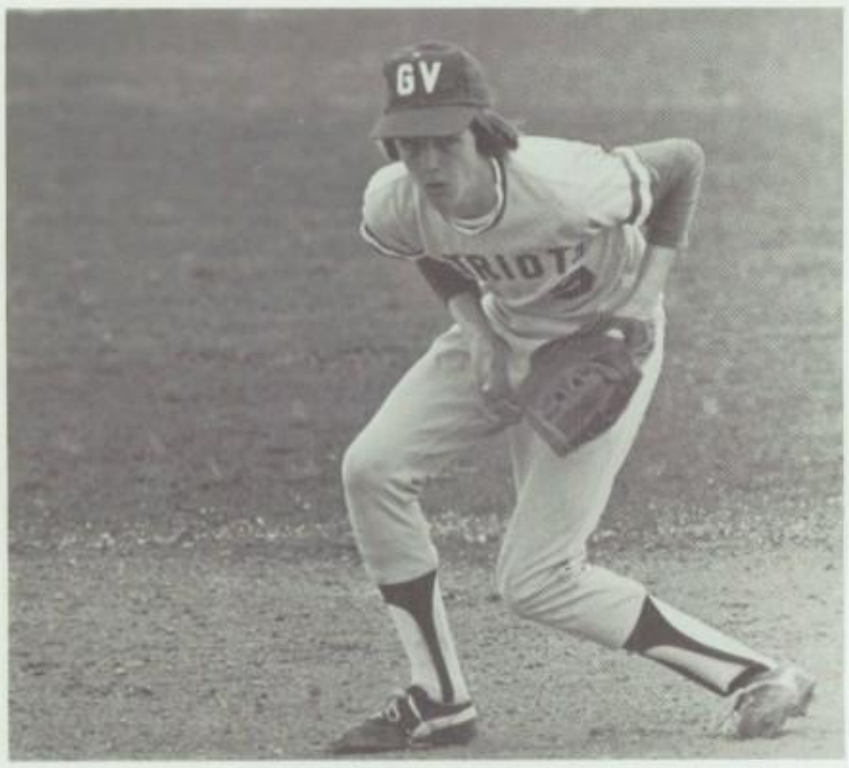
Look out! Gil's up to bat.

"I'm going to get that little punk."

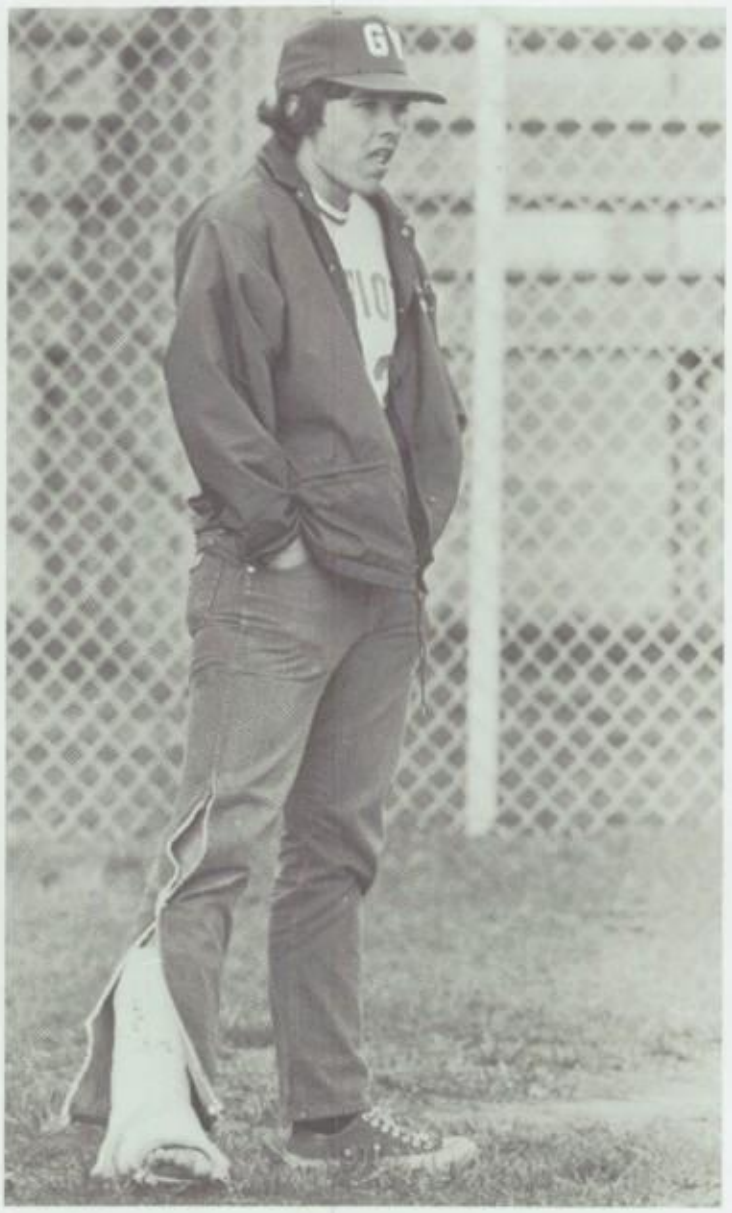
Pitcher Joel Everett winds one in.

Hurry, Rich! Throw it back in.

Alex and Joe are quick on the job.



"Oh-h-h, they got me."



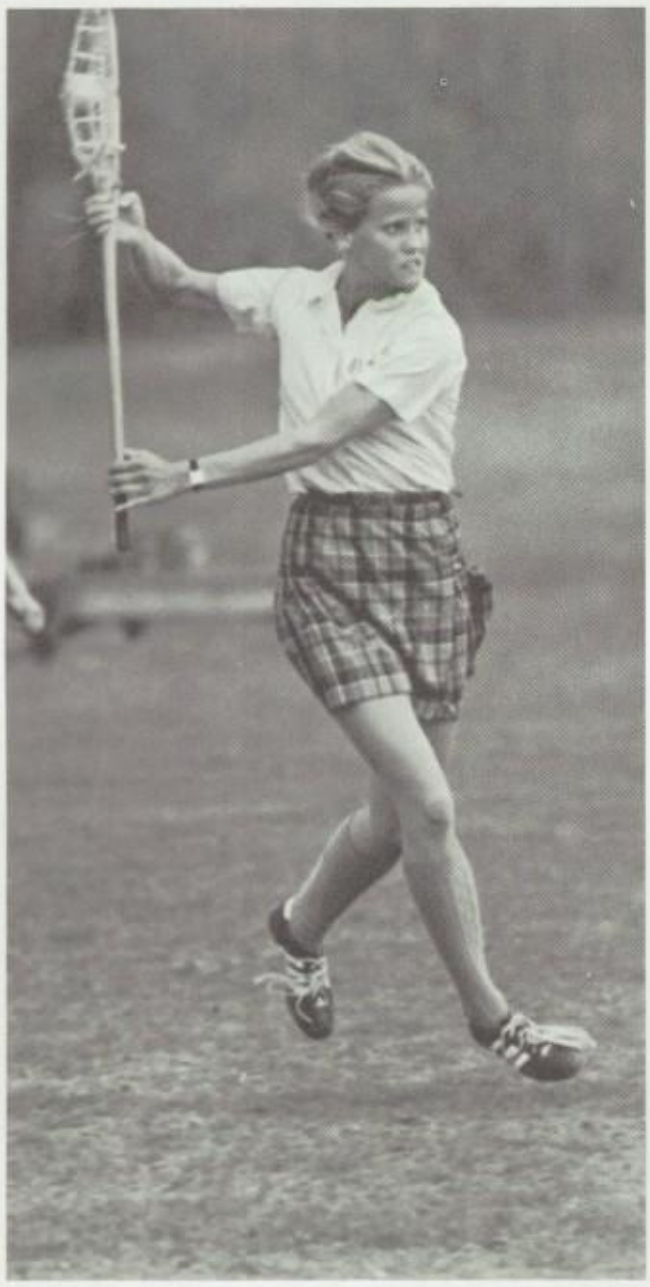
Clyde anxiously views the game.

STANDING L. TO R.: Brian Everson, Geoff Ellison, Joe Martino, Andy White, Malcolm Reiley, Gene Holland, Rich DeRafelo, Mr. Clark. *SITTING L. TO R.:* Tom Gluck, Alex Madarasz, Joel Everett, Charlie Ott, Dean Miller, Clyde Siravo, Gil Mowery.

The Great Valley baseball team had a disappointing season with an overall record of one win and fourteen loses. Graduating seniors this year are Brian Evenson, Joel Everett, Charlie Ott, Dean Miller, and Clyde Siravo. It is hoped that under the continued direction of Coach Bob Clark things will look up and next season will prove to be better.

LACROSSE

Hey Mannie, Two hands on that stick!



Julie dances gracefully down the field.

Lynn: "Keep your stick away from me."

Sandy: "Now the cage is there, and . . ."

Kerry cradles, determined to score.

Denise starts the game with the draw.

Watch out Patty, you're going to run her over!

Costanza on the warpath.

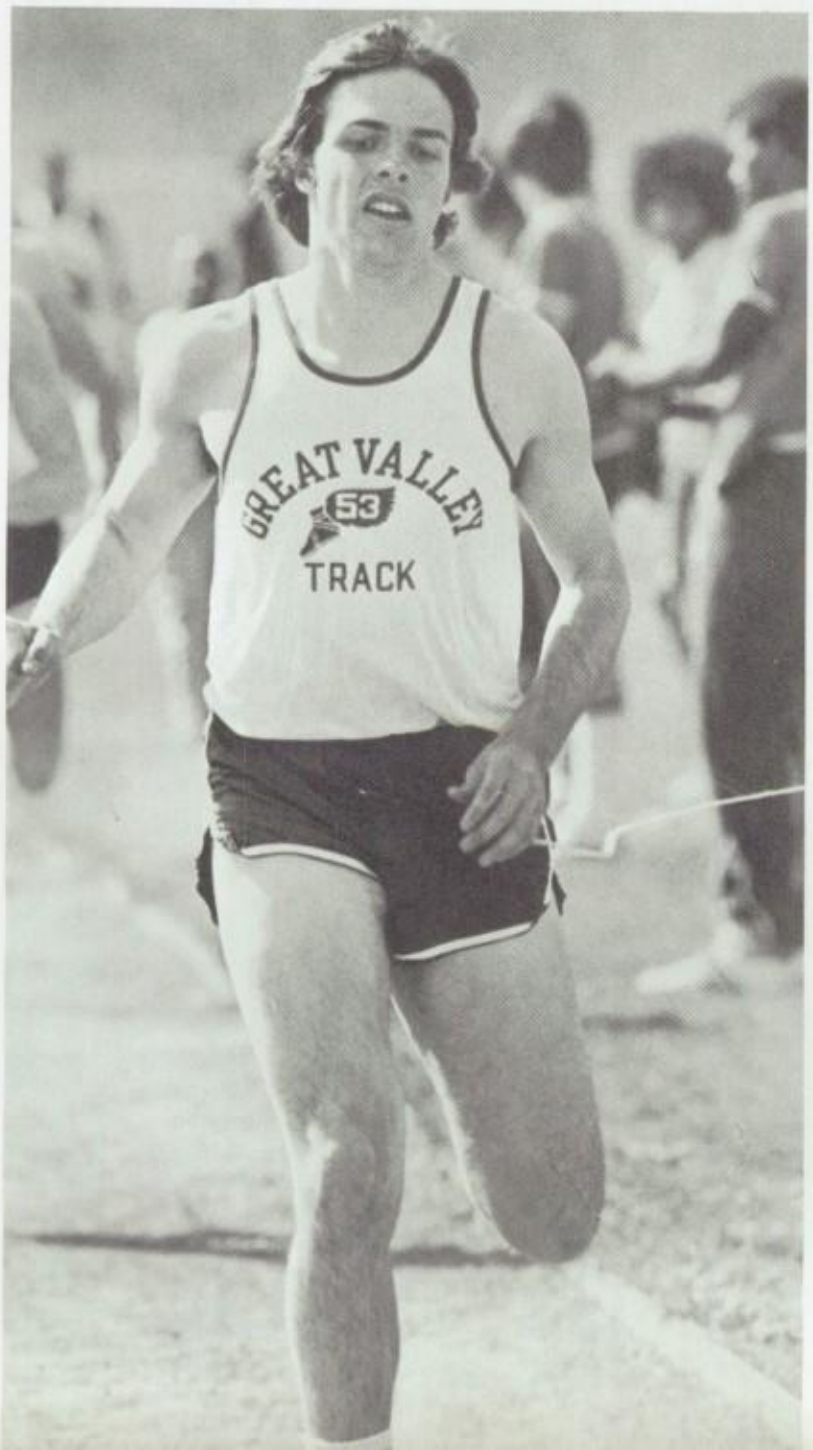
UNDEFEATED CHES-MONT CHAMPS

Once again, the G.V. girls' LaCrosse Team won the Ches-Mont League championship. However, this year was exceptional as the girls went undefeated with an impressive 9-0-0 record. From February to May the girls dominated league play with that well-known Valley spirit and determination. This year, the scoring drive was particularly phenomenal as the Patriettes tallied a total of 95 goals to their opponents 15 goals. These figures also show the superior strength of the defense. Again Betty Costanza's power as a coach led the team in upholding their Ches-Mont title.

STANDING L. TO R.: Lynn Meldrum, Coach Costanza, Ann Houston, Kathy Jones, Amy Herkins, Jenny Hirst, Kathy Rowland, Ann Voltz, Mary Jo Ashenfelter, Joni Mannarino. *KNEELING L. TO R.:* Karin Abrahamsen, Heather Meldrum, Leslie Shook, Celeste Bernhard, Mary DiAntonio, Joanne Metzler, Kerry Mulvey. *SITTING L. TO R.:* Judy DiAntonio, Denise Roane (capt.), Sandy Stackhouse, Julie Hull (capt.), Kathy Shank, Patty Lewis.

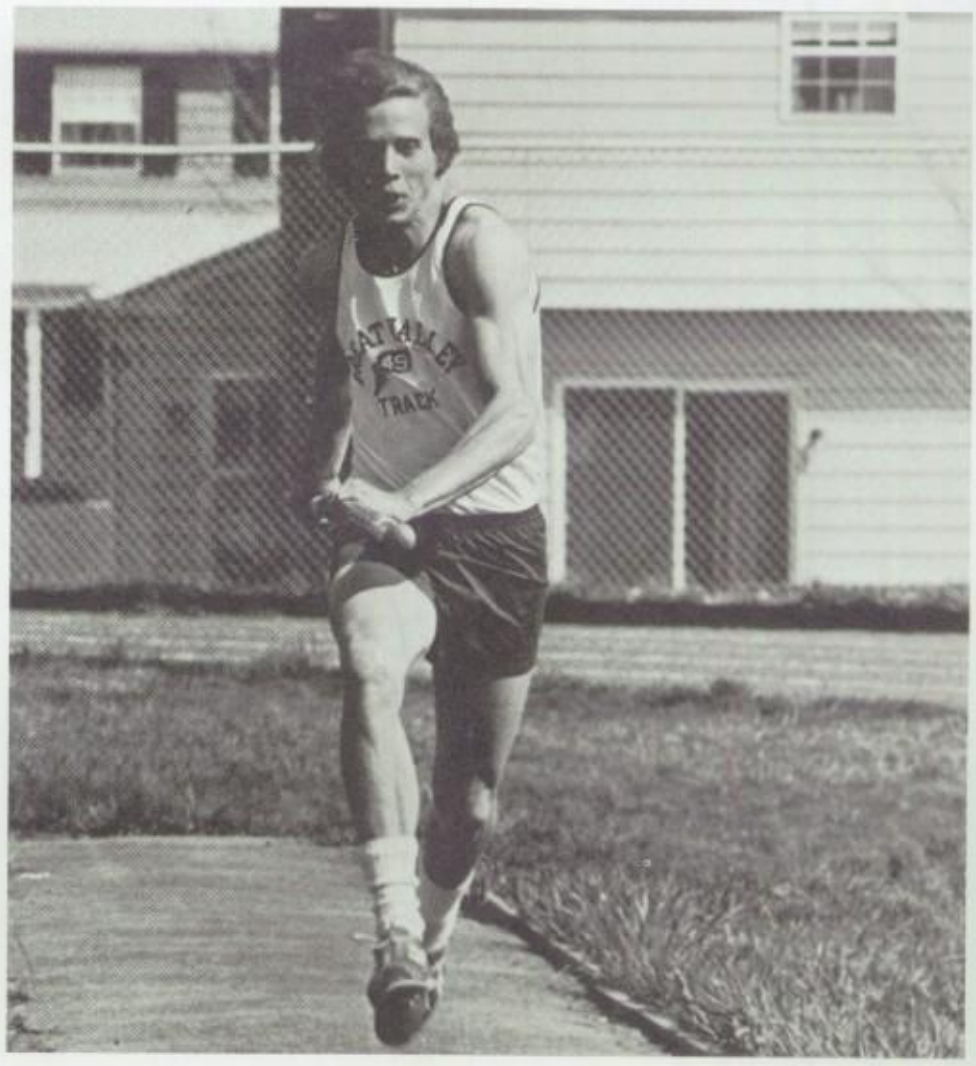
SPRING TRACK

Getting ready for the hand-off.



David: "Where's the kid with the baton?"

Melvin leaps high in the broad jump.



Go Bill, Up, up and over!

Rich contemplates the throw.

John: "Gee, I hope I can make it that far."

Sarge cheers team members on to victory.

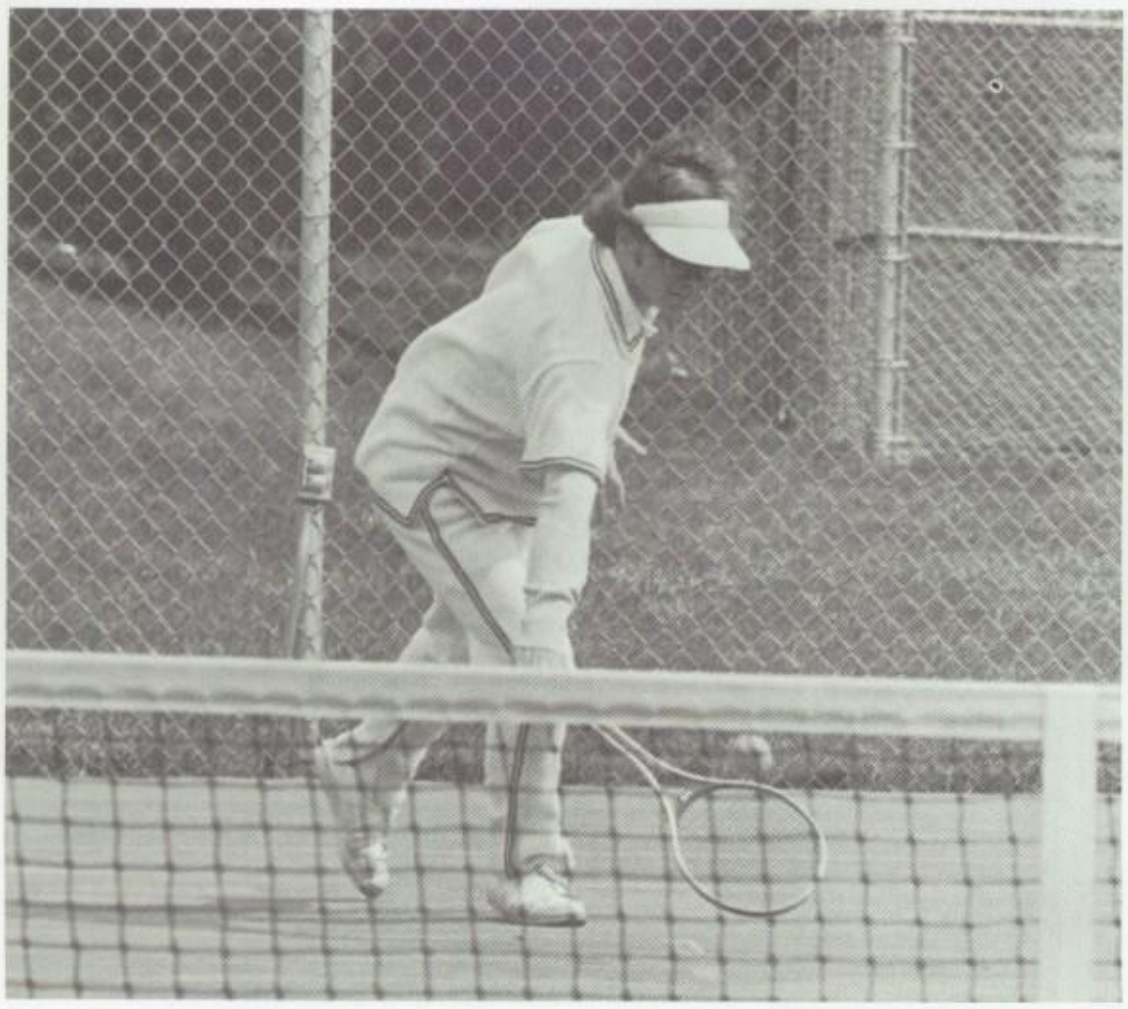
Field man, Bill Vail, in fine form.

The 1975 Spring Track team coached by Mike Diorka, John Herr, and Carl Stoltz enjoyed their best season in G.V.'s track history, posting a 5-0 dual meet slate. The team also made history as they became the first team to defeat the Coatesville Raiders in a dual meet since 1961.

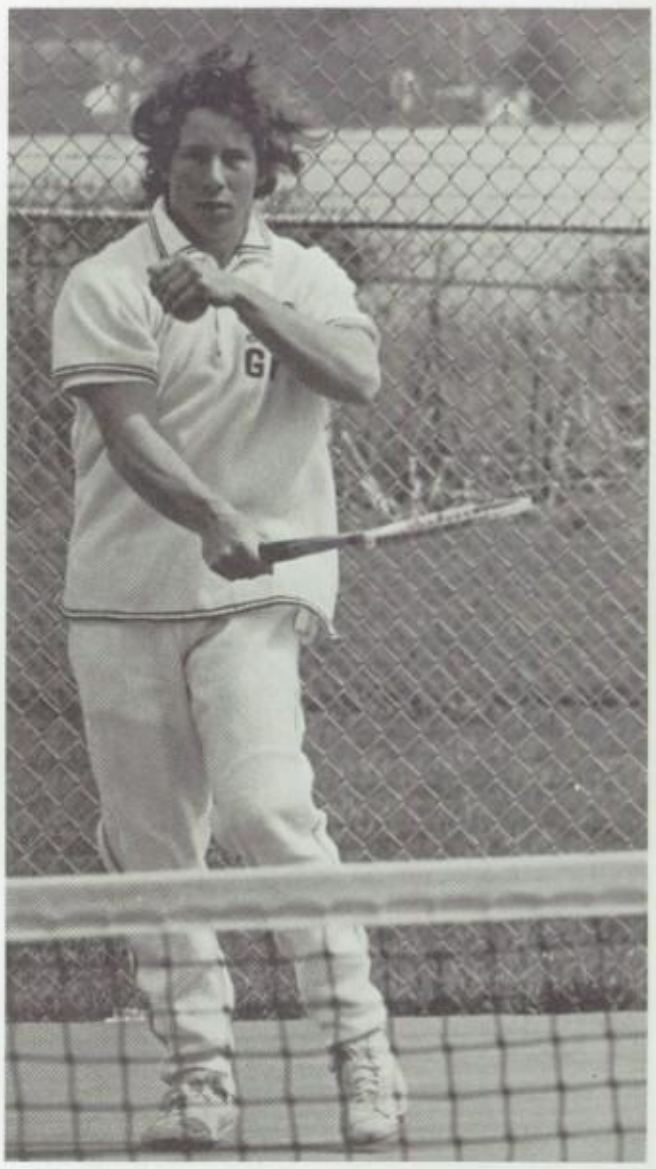
Both the Mile Relay Team (Dave Oberkircher, Kevin Roth, Dan Skane, John Haines) and the Two Mile Relay Team (Scott McCorry, Rick Mohler, Jack Cominsky, Don Dolinger) were ranked third in the area by the Philadelphia Inquirer. This was a very significant honor as Great Valley became well known throughout the area.

There were some disappointing moments this season. G.V. placed fifth in the Ches-Mont Championships after defeating both the first and second place teams in dual meets. There were also proud moments, such as the Mile Relay team's victory in the Ches-Mont Relay at the Penn Relay Carnivals. All in all, it was a rewarding season. Many thanks go to the coaches, and good luck next year!

BOYS' TENNIS



Way to get your body behind the shot, Vince!



Captain Jim Carpenter hustles.

Eric Reiley follows through beautifully.

Waltz makes the ball and racket meet.

Reiley rips opponents with net play.

Curt: "Oh rats, it went out!"

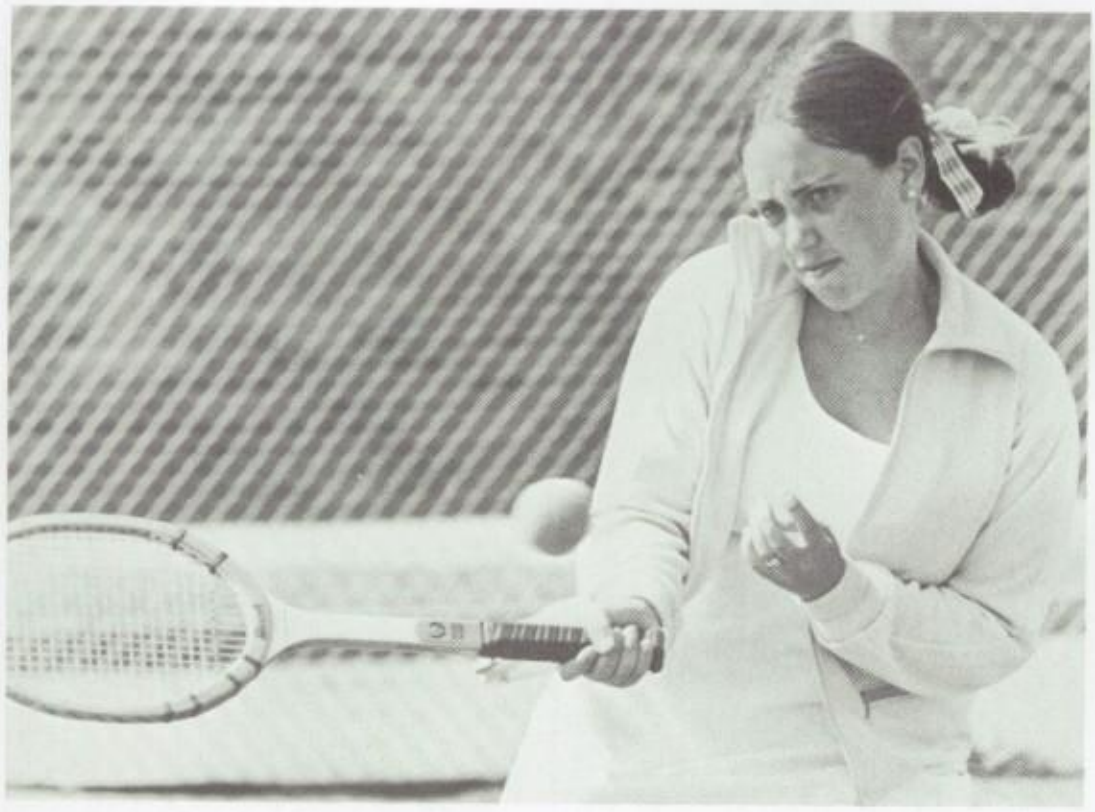
Billy Brown in the form of a champion.

STANDING L. TO R.: Alan Zacharde, Jim McCarney, Rich Frankenheimer, Mark Barber, Dan Delap, Dave Sletvold, Tom Brown, Dilip Moonka, Andy Brighton, Lee Reeser. *KNEELING L. TO R.:* Coach Schucker, Vince Skahan, Eric Reiley, Jim Carpenter (Capt.), Mark Reiley, Curt Flather, Charles Waltz.

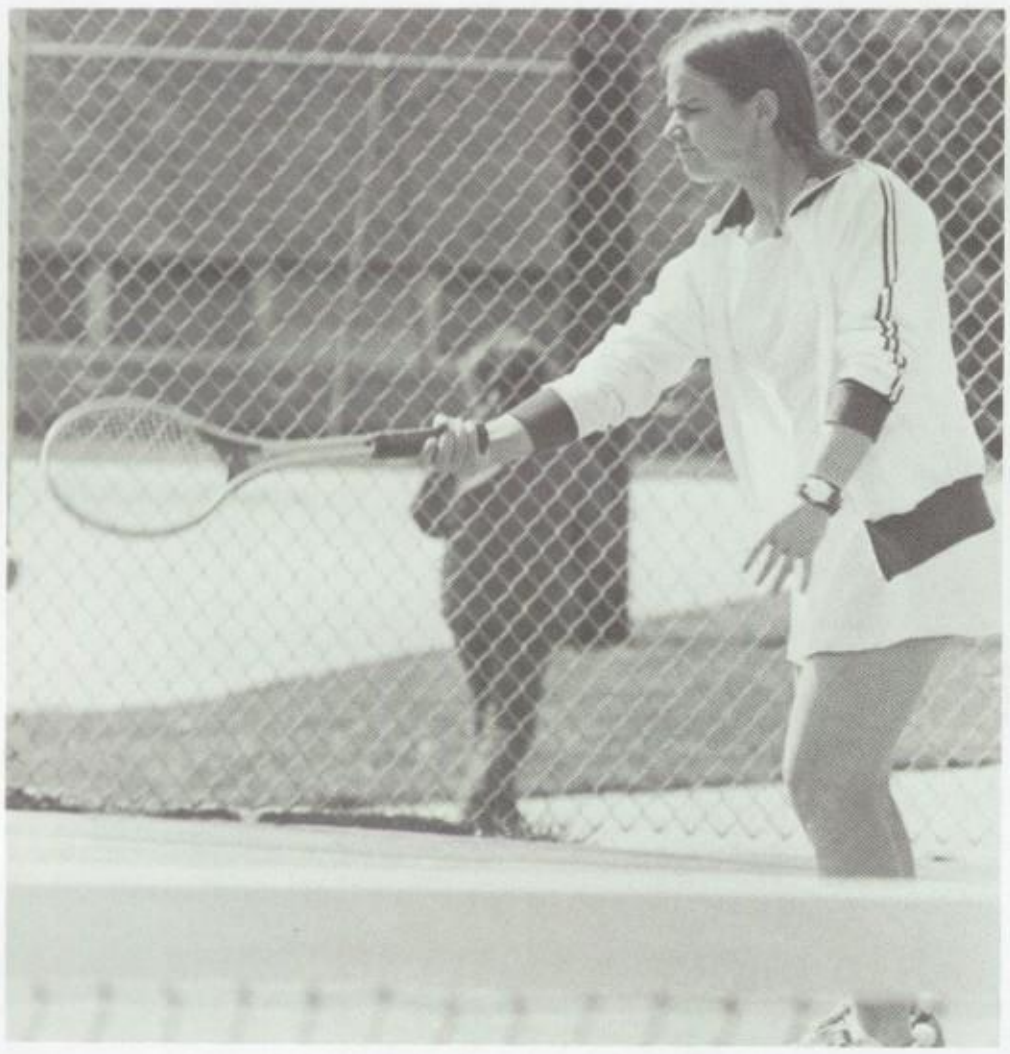
After striving for at least a second place in the Ches-Mont race, the 1975 G.V. Boys' Tennis team suffered a few undeserved losses. Forced to accept a disheartening third, their final record was 7 wins and 3 losses.

Freshman Eric Reiley led the team, doing a fine job all season. Charles Waltz, second singles, accompanied Reiley as a representative from G.V. in the Ches- Mont Singles Championships. In his first year at G.V., sophomore Bill Brown competently handled the third singles spot. Seniors Jim Carpenter and Vince Skahan played first doubles and competed Ches-Mont Doubles Championship. Curt Flather and Mark Reiley played second doubles on the varsity squad.

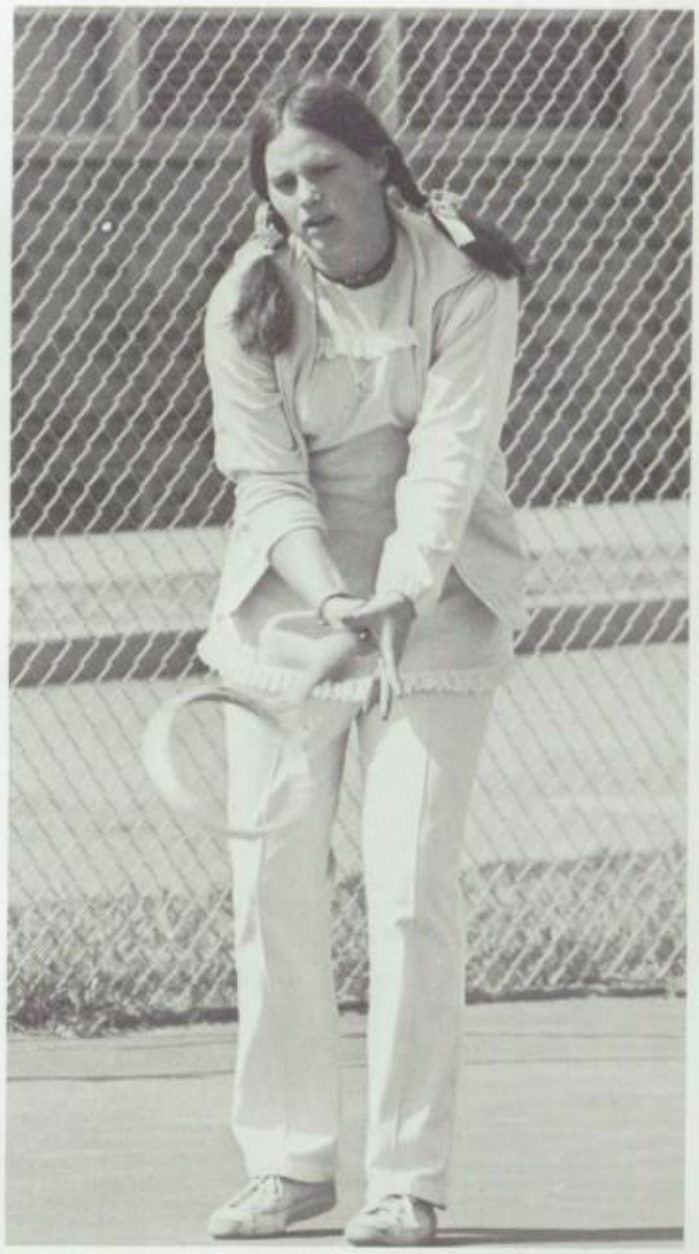
GIRLS' TENNIS



Captain Nancy Reeside is quick at the net.



Oh Pat, what a forehand!

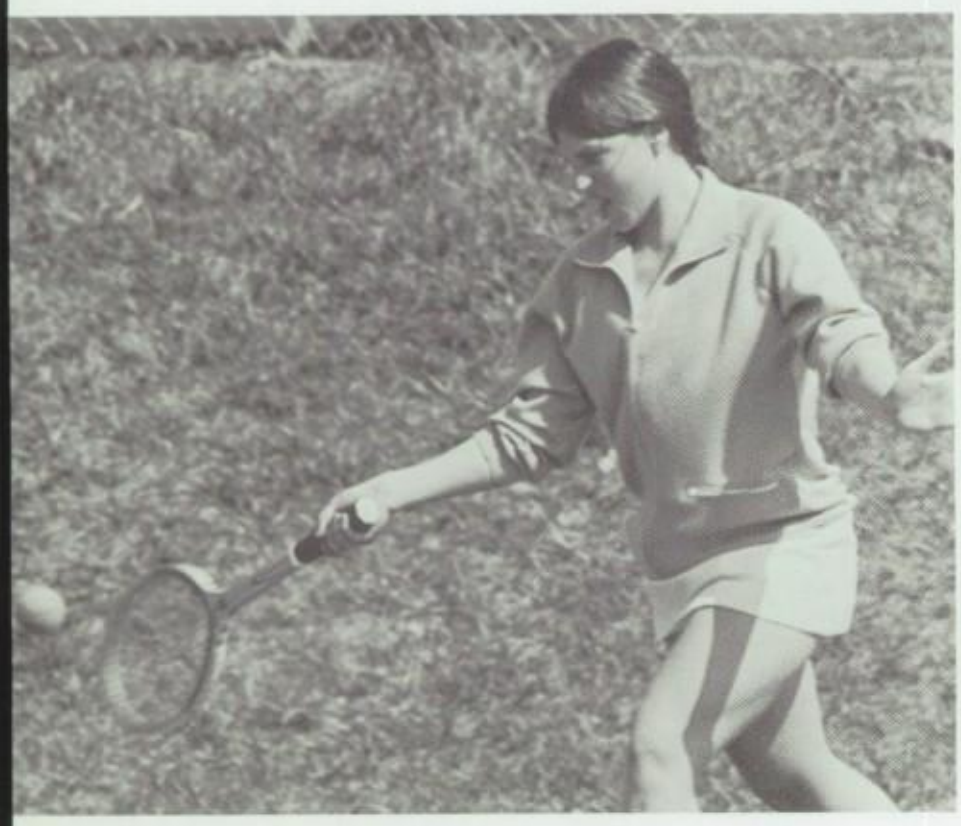


Kathy copies the two-handed "Evert" style.

Beth does a great tap dance.

Pat: "Oh my, I wish my dress was longer."

Tracy gets down for the backhand.



Lynn concentrates on the shot.

BACK ROW L. TO R.: Mary Gable, Shelia Berry, Kim Quay, Pat Walther, Maureen Grady, Jane Reeside, Coach Zarfos, Donna Krauss. *2nd ROW L. TO R.:* Ines Rubinez, Carol Thomas, Sue Worrall, Colleen Grady, Kathy Cola, Amy Balser, Vicki Brown. *1st ROW L. TO R.:* Beth Smollens, Pat Bird, Kathy Ross, Nancy Reeside (Capt.), Lynn Brewer, Tracy Wilcox.

This year the G.V. girls' tennis team had a very successful season. The varsity squad, led by new coach Meg Zarfos, had six senior members and one junior member. With Miss Zarfos's strong coaching, and the depth and experience of the varsity team, they made a strong showing in the Ches-Mont league. The girls lost one tough match to 1st place Pottsgrove, leaving them with a record of 9 wins and 1 loss, placing them second in the Ches-Mont League. First doubles team of Kathy Ross and Nancy Reeside remained undefeated throughout league play, earning a record of 10 wins and 0 losses. Congratulations!

Team members thank Coach Zarfos, crediting her with their successful season. As this was her first year as a coach she did a great job employing new innovations such as the super gym and four-two's (ugh!).

1974-75 was the most successful season in the history of Great Valley. Twelve teams out of sixteen had winning seasons, while four teams, Football, Wrestling, Girl's Basketball, and LaCrosse captured Ches-Mont titles. G. V. also had three second place teams, Hockey, Soccer, and Girl's Tennis, and two third place teams, Boy's Tennis and Cross Country. This year Great Valley had many individual athletes receive area and district honors, while three athletes received state honors.

Including Varsity, Junior Varsity, and Freshmen teams, G.V. had an overall record of about 241 victories to 105 losses. It seems with this year's superb record, Great Valley *is* a power in the Ches-Mont League, as winning is truly becoming a tradition here.

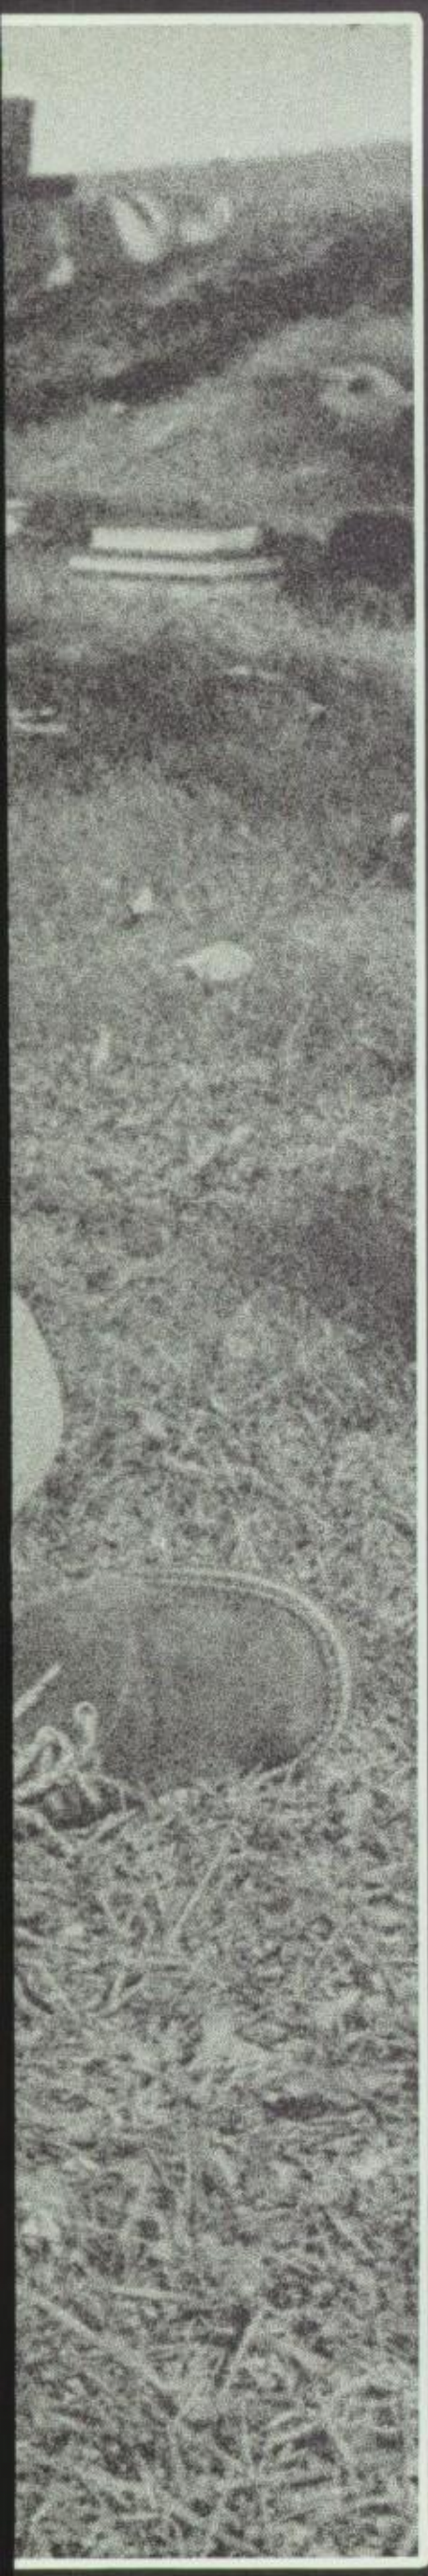
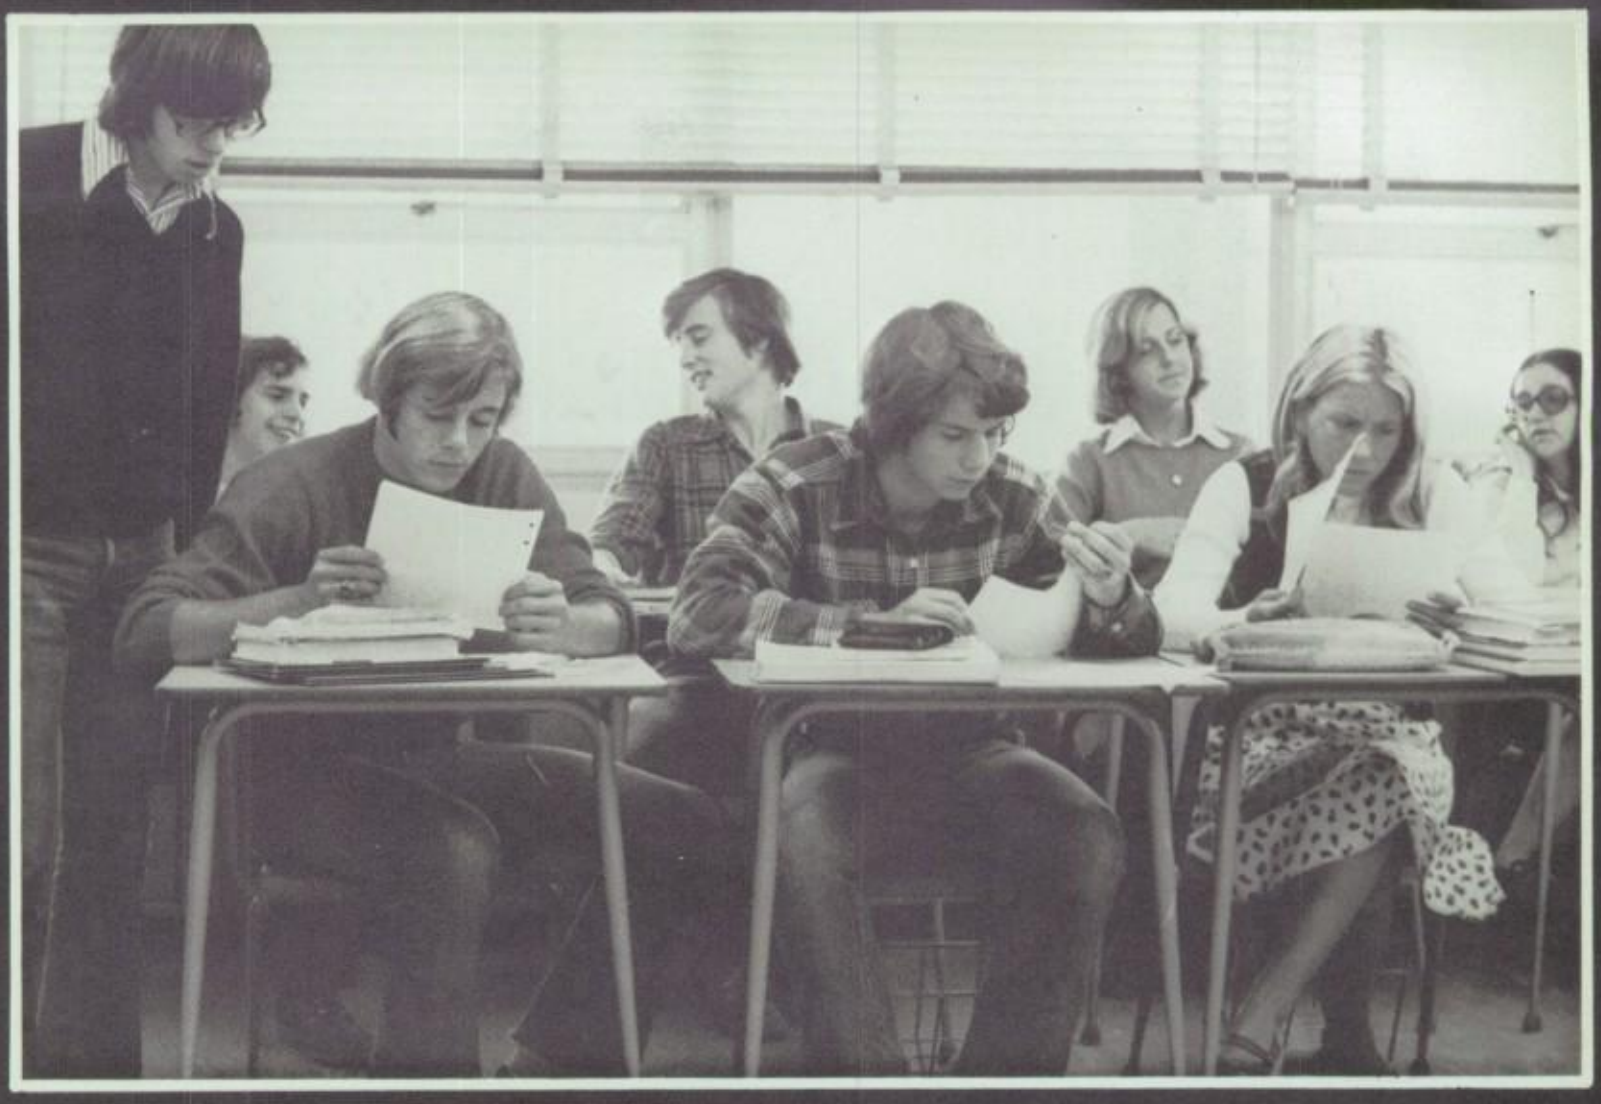
SENIORS





I am the eagle,
I live in high country;
In rocky cathedrals
That reach to the sky.
I am the hawk,
And there's love on my feathers,
The time is still turning,
They soon will be dry.

And all those who see me
And all who believe in me,
Share in the freedom
I feel when I fly.
Come dance with the westwind
And touch all the mountain tops
Sail o'er the canyons
And up to the stars.

And reach for the heavens
And hope for the future
And all that we can be,
Not what we are.

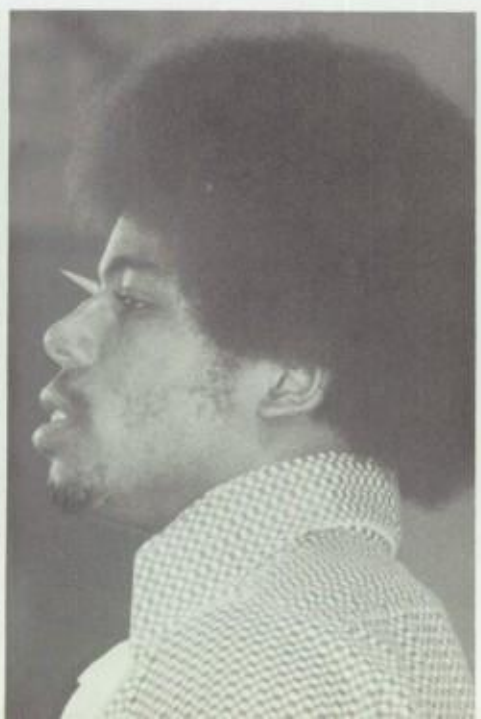
?? WHO'S WHO IN '75??

Members of the senior class were polled to see who they thought best fit certain categories. The results are shown on this page and on page 187.

MOST LIKELY TO SUCCEED: Mary Jo Ashenfelter and Tom Fosnocht.

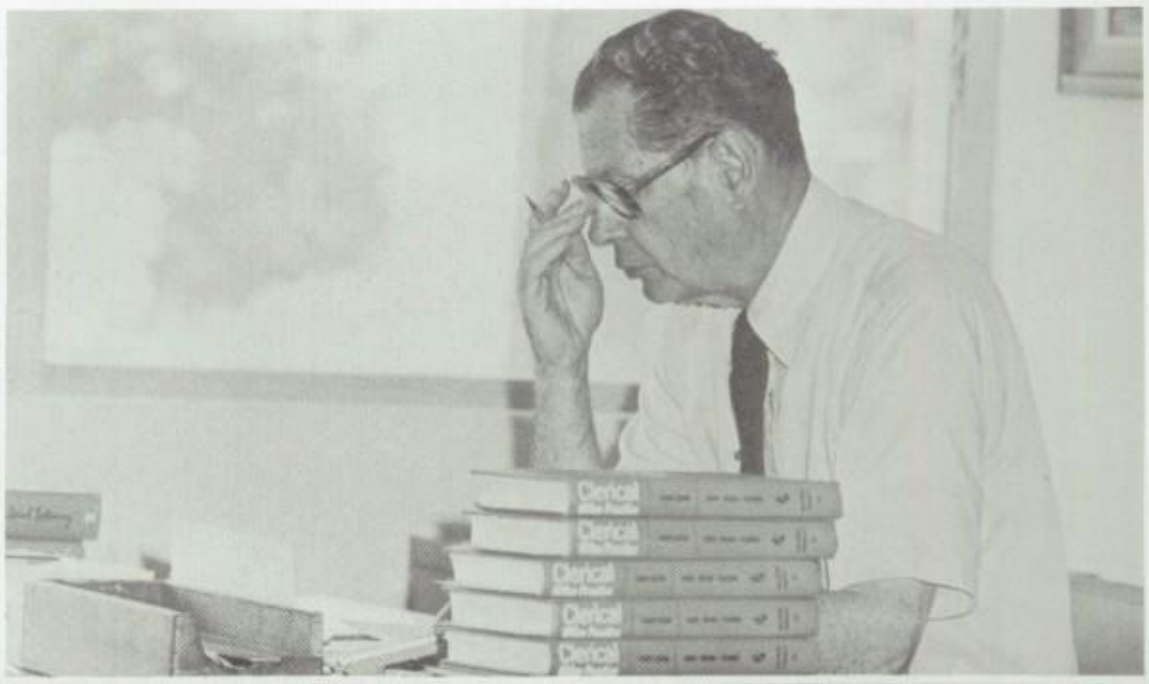
BEST PERSONALITY: Julie Hull and Tom Fosnocht.

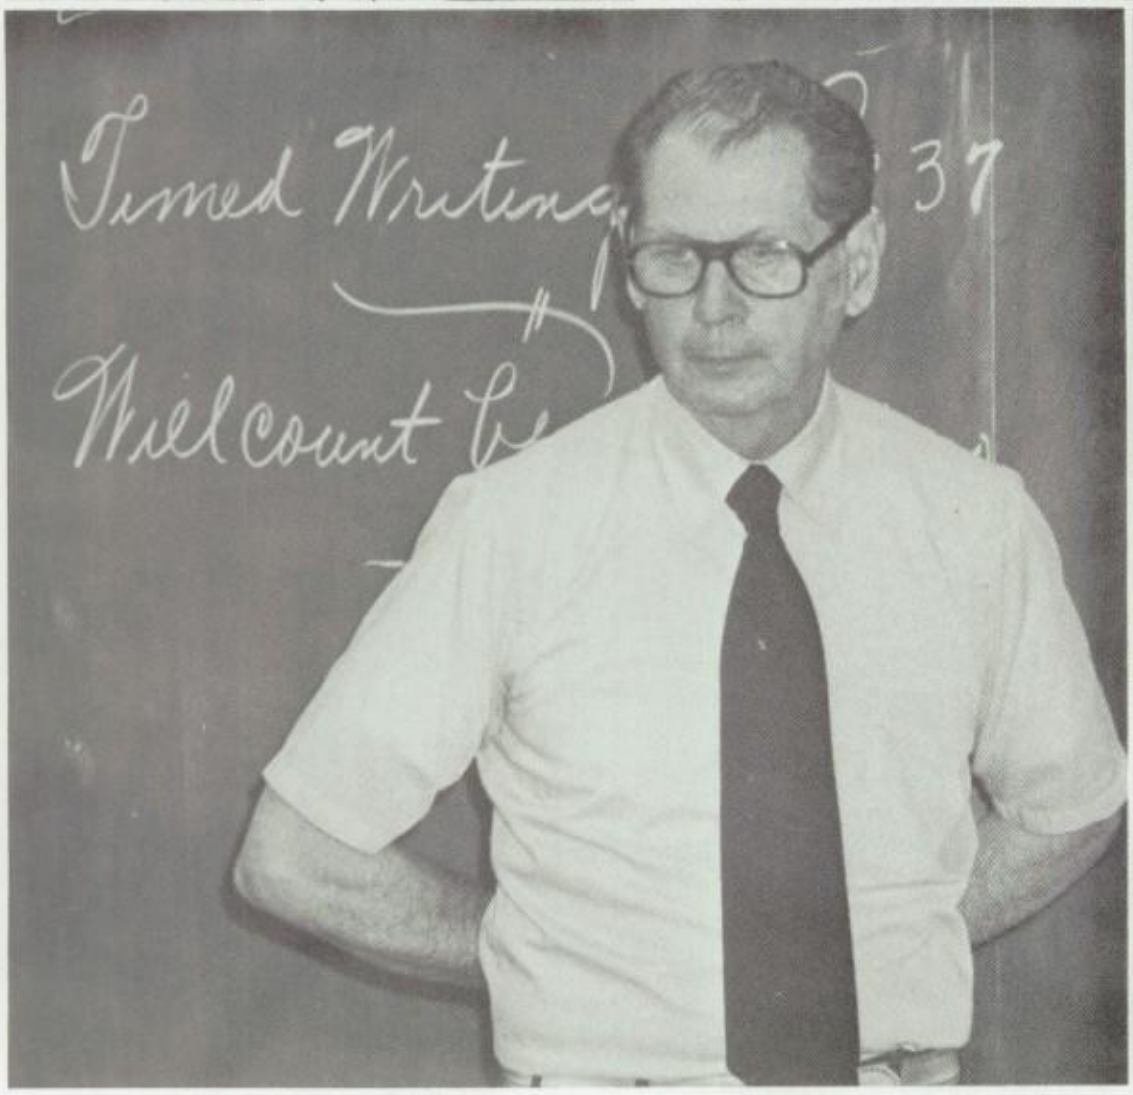


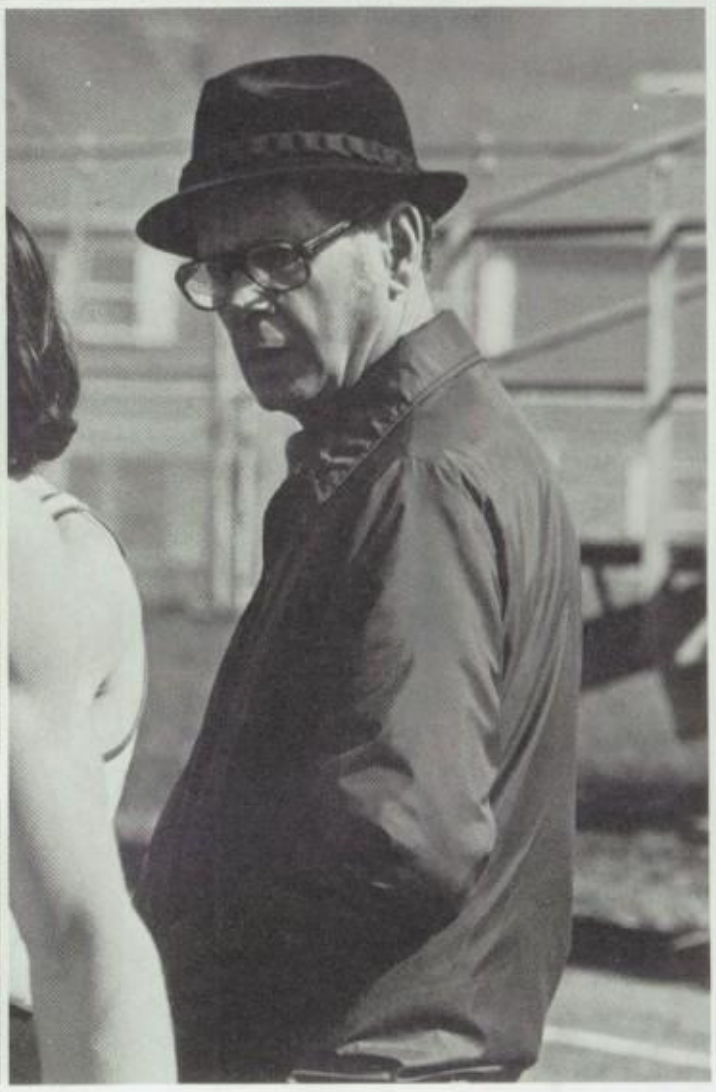
BEST ALL-AROUND STUDENT: Heather Meldrum and Eric Shrader.

MOST ACTIVE IN SCHOOL ACTIVITIES: Mary Jo Ashenfelter and Tom Devlin.

BEST ALL-AROUND ATHLETE: Lynn Brewer and Melvin Cook.







At this time, we the Class of 1975, would like to give special recognition to Mr. Alger C. Whitcraft, Business Education Department Chairman, who has been so helpful to all of the graduating classes from Great Valley.

Mr. Whitcraft has dedicated fourty-five years to the educational profession. An excellent teacher and a generous person, he has encouraged and helped an untold number of young adults through his career. During our senior year he was recognized for his tremendous contributions by the establishment of a scholarship in his name.

SUPPORT THE A.S.B.

The A.S.B. of G.V. represents the whole student body. In order to be totally beneficial for every one, each person must put forth the needed spark to make each activity successful. We are hoping for a large response for each project planned next year.

A.S.B. cannot work without your help. If every one does his or her share, A.S.B. will be able to do a lot for the betterment of the school in the coming years.

B.S.U.

The Black Student Union of G.V. has been growing a lot during the last few years. The membership is now higher than ever. The fund raising projects were very successful. The $100.00 scholarship was awarded to Sharon Cook.

And after your enlistment's over, you're entitled to 36 months financial assistance at colleges throughout the country.

Our educational benefits are in addition to the job training you'll receive, the salary you'll make, and the travel opportunities you'll have.

If you'd like to find out more about all the educational benefits the Army has to offer, see or call your local Army Representative.
